2nd November, 2018

Institutions of higher learning are vital for any progressive society and always determines the growth trajectory. With the advancement of science and technology and their impact in our day to day life, the role of technological and medical institutions have become all the more paramount. Sikkim Manipal University, guided by its vision to provide world class technological and medical education preparing skilled professionals for future India, has been consistent over last two decades in achieving its core objectives with high benchmarks.

As Chancellor of the University, I share the joy with the management, faculty and students on our accomplishments. We also remain firm on the goals that we have set for the future along our quest to impact lives of common folk beyond degrees and academics. Sikkim Manipal University has certainly added value to the lives of vibrant Himalayan State of Sikkim by igniting the minds of young ones and transforming them into dedicated professionals and entrepreneurs.

I wish the students the best of their time at Sikkim Manipal University. May you all achieve more and contribute as a true architect of New India.

(Ganga Prasad)

Message from The Pro Chancellor

Dear Students,

Sikkim Manipal University (SMU) is part of the Manipal Education and Medical Group that operates 6 Universities in India and overseas. Among these, SMU has been at the forefront of providing medical and engineering education in the Eastern and North-Eastern regions of our country, since the late 1990s.

Sikkim Manipal Institute of Technology (SMIT) is a constituent college of SMU, set up in 1997 and, over the years, has established itself as a premier engineering institute. Similarly, Sikkim Manipal Institute of Medical Sciences (SMIMS), a constituent college of SMU, set up in 1999, is amongst the leading medical schools in these regions.

Today, SMU is a multi-disciplinary university with a strong faculty base and superior infrastructure. It has, since long, been very ably meeting the academic aspirations of students.

We look forward to welcoming you to our campus and are confident that SMU will be your stepping stone to a successful future.

Rajen Padukone

Message from The Vice Chancellor

Dear Candidates,

Sikkim Manipal University (SMU) was established in 1995, as a pioneering public private partnership between the Govt. of Sikkim and the globally reputed Manipal Education & Medical Group. It has the distinction of imparting high quality multi-disciplinary education in the fields of medical, allied healthcare, technology, management, humanities & social sciences in well-structured graduate, post graduate, doctoral (Ph.D.) & diploma courses & programmes.

Our endeavour and commitment are inspired by our vision to transform the lives of our students, through high quality education and contemporary training, in their journey of comprehensive understanding, awareness, discovery and perfection of cutting edge knowledge, multidimensional skills and core competencies to make them future ready in a holistic manner. Our Institutes have highly experienced & well qualified faculty, including state of the art infrastructure, facilities, equipment, laboratories, research ambience and an enabling organisational ethos. We strive to inspire, nurture and mentor our students to think progressively, develop value added perspectives by igniting creativity and innovation, through pursuit of professional and academic excellence. Our dedicated teams of faculty are committed to ensuring that our students are well trained and optimally prepared to face the challenges of their chosen profession and career in the competitive world. Team SMU joins me to welcome you to a life defining, enriching academic journey and invigorating growth trajectory.

Sikkim Manipal University (SMU)

Established on November 15, 1992 by an act of Sikkim Legislative Assembly through Act No.9/1995.

1st PPP model in India between the Government of Sikkim and the Manipal Pai Foundation.

Recognized by the University Grants Commission (UGC).

Member of the Association of Indian Universities (AIU).

Accredited by National Assessment and Accreditation Council (NAAC)

Vision

To achieve eminence in the field of quality technological education and research.

Mission

To develop SMIT into an institute of excellence capable of producing competent techno-managers who can contribute effectively to the advancement of the society.

Objectives

To provide wholesome education to meet the intellectual aspirations of students.

To equip students with techno-managerial skills to enable them to take their assigned role in the industry.

To inculcate essential ethics and values to meet the spiritual needs of the students.

To provide a sound institutional environment nurturing emotional strength, a healthy mind, body and resilience amongst the students.

Message from The Director

At Sikkim Manipal Institute of Technology, it is our endeavor to achieve eminence in the field of quality technological education and research. Our dedicated team of faculty members are committed to provide wholesome education to meet the intellectual aspirations of students and equip them with techno-managerial skills that will enable them to take their assigned role in the industry as thorough professionals.

We also aspire to inculcate all qualities which are essential to make our students contribute effectively to the advancement of the society.

The institute has state-of-the-art infrastructure and an environment conducive to meet academic, extra curricular and co-curricular aspirations of the students to enable them to be industry ready once they graduate from the institute.

We look forward for you to select Sikkim Manipal Institute of Technology (SMIT) as your destination for higher studies. We are sure that your stay with us will enable you to become a thorough professional in the technical field chosen by you.

With Best Wishes,

Prof (Dr.) Ashis Sharma

1.1 SMIT at a glance

SMIT was established in 1997. The courses are approved by AICTE/UGC. The first technological campus of Sikkim offers high quality technological education and promotes holistic growth of the students. Fully residential campus and endowed with natural beauty makes it an ideal place for students to emerge as the potential nation builders.

SMIT offers undergraduate, postgraduate and PhD in various disciplines of engineering, science and management.

1.2 Advantage - SMIT

- Proven and consistent incremental quality since 1997.
- Well qualified faculty members with strong emphasis on creativity and research.
- State-of-the-art infrastructure.
- Excellent placements coupled with dynamic institute-industry interaction.
- Vibrant Entrepreneurship and Incubation Cell promoting establishment of startup/ companies.
- Student centric unique Teacher – Guardian Scheme for effective mentoring.
- Excellent discipline supported by unique Floor Warden scheme.
- Extracurricular activities facilitated by modern amenities for wholesome development of the students.
- Scholarship and benevolent fund to the deserving/needy students.
- Pollution free and peaceful atmosphere – excellent ambience for teaching learning.
- Specialization in B.Tech courses to make students industry ready.

Postgraduate courses

1. *M Tech in Computer Science & Engineering*
2. *M Tech in Digital Electronics & Communication Engineering*
3. *M Tech in Information Technology*
4. *M Tech in Power Electronics*
5. *M Tech in Production Engineering*
6. *M Tech in Structural Engineering*
7. *Master of Business Administration (MBA)*
8. *Master of Computer Applications (MCA)*
9. *M Sc (Chemistry)*
10. *M Sc (Physics)*
11. *M Sc (Mathematics)*
12. *M Sc IT*

PhD in all disciplines.

1.5 Academic Departments

Academic Departments at a Glance

All the departments have highly qualified and experienced faculty members providing quality education and guidance to the students. Faculty member adorn the role of guardian as well to facilitate the integration of students in the department and form a life-lasting bond with the students.

Laboratories of all the departments are equipped with latest instruments to strengthen the teaching-learning process.

Workshops and conferences are organized to expose the students to the latest development in the field and provide a platform to interact with the best minds of various disciplines.

The departments and institute have collaboration with various research labs and institutes of India and abroad for carrying out research and development in the frontier areas.

1.5.1 Civil Engineering

The department was established in 2009 and offers B Tech, M Tech and PhD programme.

Research and Development

Active research in frontier areas of Civil Engineering such as water resources, water scarcity and drought, climate-change impacts on water resources, earthquake-resistant structural design etc.

Sponsored research projects from Govt. of India and Govt. of Sikkim

Consultancy projects from Govt. of Sikkim and industries

Good number of publications in reputed international journals

Laboratories

Material Testing, Advanced *Fluid Mechanics*, Geology, *Soil-Geotechnical*, Survey, *Environmental Engineering*, *Computational*

Student Activity

Organisation of annual departmental techno-cultural fest – **CELESTUS** and other student related activities

Workshop

Workshops are organized regularly, aiming practical training on various aspects of Civil Engineering such as *Bridge Design, Seismic & Toll Building Design.....*

Achievements (Faculty/Department)

Resource persons in various committees of Government organizations & academic institutions

Impart training to Govt. engineers of Sikkim on RVS and Earthquake resistant features of buildings

As experts in faculty selection committees of various institutions

Reviewer of prestigious international journals published by Springer, Elsevier.....

The department has been chosen as State Technical Agency by National Rural Road Development Authority, Govt. of India

Students and Alumni

Pursuing higher studies abroad

Placement in reputed companies in India and abroad

As faculty members in foreign universities

1.5.2 Computer Science & Engineering

The department was established in 1997 and offers B Tech, M Tech and PhD programme.

Research and Development

A good number of research projects funded by AICTE and NNRMS/ISRO (Bangalore).

Active research area; Big Data, Cloud Computing/HADOOP, and Data Analytics, Networks-Wired/Wireless, Sensor, Remote Sensing & GIS, Robotics & Intelligence System, Soft Computing, Digital Image Processing, Natural Language Processing, Cryptography & Network Security, High Performance Computing, Quantum Computing

Regular publication in journals and conferences

Societal responsibility

Handling social responsibilities through “Swachh Mission”, “Mission Education” and Blood Donation Camps

Conferences/Workshop

International Conference on “Advanced Computational and Communication Paradigms (ICACCP-2017,2019)

Students Achievements

Students performed well in **CAT/MAT, GATE, GRE, TOEFEL and IELTS**, and pursuing higher studies in reputed institutes of India and abroad

Tabish Imran and Madhup Sukoon are in the process of registering a company under **START UP INDIA**, supported by **AIC-SMU Technology and Business Incubation Foundation**

1.5.3 Electrical & Electronics Engineering

The department was established in 1997 and offers the following programs:

B Tech, M Tech and PhD programme.

Research Activities

Active research is carried out by faculty members and students

Research is carried in the frontier areas of the field like Biomedical Applications; Renewable Energy; Energy Technology & Management, Modelling & Optimization of Various Electrical/ Electronic Smart Devices

Research projects funding agencies - **AICTE, MNRE, SERB**

Laboratories

Power System; Electrical Machines; Electrical Circuits and Simulation; Electrical Drives; Power Electronics; Control Systems; Analog System Design; Electrical Measurement; Advance Programming; Microprocessor, Microcontroller & Embedded System

“Faculty Members of the EEE Department are very helpful and approachable. The Department encourages the student to do better in all fields, be it academics, sports and other co-curricular activities.”

Laboratories

Digital Electronics; Microprocessor; VLSI/ Embedded System, Analog Electronics/ Electronic Device; Basic Communication; Advance Communication; Microwave; Broad band Communication; DSP/ SCS

Students Activity

ESCA (Student Society) regularly conducts workshops in various topics for the students

ESCA organizes techno-cultural fest

Social Campaigns

ESCA conducts various social drives to financially support local school. It also engages in environmental protection and maintenance drive like tree plantation drive and cleanliness campaign

Conferences/Workshop

“Annual International Conference on Communication, Devices and Networking”, 19-20th December, 2020 is organized successfully. Speakers from IITs, NITs, other reputed National and foreign universities participate in the Conference.

Students' Achievements:

- A. Several students cleared CAT, GATE, GRE, TOEFEL and pursued higher education from IIMs, IITs, IISc and reputed International universities.
- B. Several students have already stabilized their startups.

1.5.5 Information Technology

The department was established in 1999 and offers B Tech, M Tech, BSc IT, MSc IT and PhD programme.

Research and Development

Active research in frontier areas like Computer Networks, Wireless Sensor Networks, Distributed Systems, Cloud Computing, Data Mining, Image Processing & Pattern Recognition, Cryptography and Information Security, e-Governance, Speech Processing, Information Theory and Coding

Funding from govt. agencies like AICTE and DeitY

Regular publications in Journals and Conferences....

Laboratories

Basic Computing, Data Communication, Soft Computing, Artificial Intelligence & Robotics, Distributed Systems, and RFID & Smart Card.
