About CCMT-2021

CCMT-2021 is a common platform for candidates to apply for M.Tech./ M.Arch./ M.Plan./M.Des. programmes, based on their GATE score of years 2019, 2020 and 2021, in all NITs, IEST Shibpur, and some IITs and GFTIs (For details, please refer the list of Participating Institutes on CCMT website). This centralized system provides a common and convenient platform for online counseling wherein the candidates can fill-in single online application form from their homes and apply to all programmes in all the participating institutions to which they are eligible. The CCMT was initiated in the year 2012 for centralized admission for PG programmes and since then has undergone several changes to make it more student-friendly and included newer institutions under its umbrella. In the CCMT-2021, some features have been introduced. For this purpose, after seat allotment, the candidates will be required to upload the needful documents. The features such as online withdrawal and willingness change etc. have been inherited from the previous years. Thus, the CCMT-2021 enormously increases the overall convenience of candidates. Candidates are allowed to participate in both regular rounds and Special Rounds even if one has obtained a seat in the regular round. The prospective candidates are advised to carefully read the information brochure and various other documents given on CCMT website.

1. Introduction

The centralized online process for admission to PG programmes in Engineering, Technology, Architecture and Planning (M.Tech./M.Arch./M.Plan.) is being organized by CCMT-2021 for all NITs, IEST Shibpur, and some IITs & GFTIs, hereinafter called 'Participating Institutes' (PIs), as per schedule given on website. These are the premier institutions of the country imparting world class technical education.

Important features of the admission procedure, admission schedule, process flow chart and contact details of CCMT-2021 Headquarter are given in this brochure. The list of PIs and their Seat Distribution, Eligibility Matrix, Date of commencement of classes, Fee Structure, Contact Addresses *etc.* are given on the CCMT website <https://ccmt.nic.in>. Candidates are advised to read this brochure carefully and visit the CCMT website regularly for updates and other details regarding the online counseling process.

The counseling process of **Regular Rounds** consists of three stages (refer section 5 for details and Annexure I for Flow Chart of the Counselling process):

- Online Registration, Choice Filling and Locking of Choices (refer section 5.1)
- Three Rounds of Counselling: Seat Allotment, Depositing Seat Acceptance Fee, Uploading Documents, Submitting Willingness, and Online Document Verification (refer section 5.2)
- Online Document Verification and Admission at the Finally Allotted Institute (refer section 5.3)

In addition to above regular Rounds, two Special Rounds (SR) will also be conducted to fill-up the vacant seats, if any. The counselling process of Special Rounds will also consist of three stages (as mentioned above for regular rounds) with a difference that instead of deposition of seat acceptance fee after allotment of seat, the candidate will be required to deposit the participation fee (refer Table 3) at the time of registration itself. For detailed counselling process of Special Rounds, please refer Section 7.

The CCMT-2021 counseling is not for candidates seeking admission to Sponsored Seats or Part Time programmes. They should contact the respective Institutes for the same.

2. Eligibility Requirements

A candidate to be eligible for M.Tech./M.Arch./M. Plan. programme:

- Must have a valid GATE Score of the year 2019 / 2020 / 2021.
- In qualifying degree, the candidates should have passed and secured at least 6.5 CGPA (on a 10- point scale) or 60% for GEN/GEN-EWS/OBC, whereas 6.0 CGPA (on a 10-point scale) or 55% in case of SC/ST/PwD candidates. **The above mentioned CGPA/Percentage should be awarded by a recognized University/Institute.**

- Only primary mode of evaluation (CGPA or percentage) as mentioned in the qualifying degree certificate/mark sheet shall be considered while verifying eligibility. **In case both CGPA and percentage are mentioned, then only CGPA would be considered.**
- **Conversion from CGPA to percentage or vice versa given by individual Institute/university will not be allowed.**
- In case, result of qualifying degree is awaited, provisional admission is permitted to a candidate subject to meeting above minimum qualifying degree requirements latest by **September 30, 2021**. In these cases, all exams should have been completed by **August 15, 2021**. A certificate from the head of current institute (format given in the CCMT website) to that effect should be submitted during document verification.
- For each programme, eligibility is defined based on certain combinations of degree-disciplines and GATE paper. Please refer to CCMT website <https://ccmt.nic.in> for the seat matrix and eligibility matrix, which provides number of seats available under different categories in each programme.
- For certain programmes in few participating Institutes, special eligibility criteria are applicable (given on CCMT website). Eligibility against these special requirements shall not be checked during the registration process but will be verified during online document verification as well as during physical reporting at the finally allotted institute. **Candidates are required to ensure that they fulfil all such special requirements before choosing such programmes during choice filling. Candidates will be solely responsible for their fulfilling of and compliance to these special eligibility requirements. CCMT-2021 will not entertain any claims arising out of their failure to comply these special eligibility criteria even at a later stage. Candidates must note that special eligibility would only be checked when that particular seat is allotted and not anytime in earlier rounds. Candidate must specifically note that in case they fail to satisfy special eligibility of the allotted seat at any stage then they would be left without any allotted seat. If any such candidates satisfy all other eligibility criteria, they may be considered for the allotment in further rounds, if any, depending on the remaining vacant seats.**
- The candidates who possess certificates/qualifications from any of the professional societies (such as The Institution of Engineers (India) (IE), The Institution of Civil Engineers (ICE), The Institution of Electronics and Telecommunication Engineers (IETE), The Aeronautical Society of India (AeSI), The Indian Institute of Chemical Engineers, including Polymer and Environmental Group (IICChemE), The Indian Institute of Metals (IIM), The Indian Institute of Industrial Engineers (IIE), etc.) and have enrolled with these institutions with permanent recognition up to May 31, 2013 may also be eligible to participate in some of the PG programs, offered through CCMT-2021, as per the eligibility criteria of respective PIs. Refer public notice (Advt No. P&AP/10(04)/2017), which can be found at <http://www.aicte-india.org/content/public-notice-professional-bodiesinstitutes-imparting-technical-education>.

3. Rules for Seat Allotment

3.1 Merit List Preparation

Merit for seat allotment will be prepared based on GATE score of the year filled by the candidate. In case of same GATE score, to resolve and determine inter-se-merit of candidates, following criteria will be used in the stated order.

- i. Candidates having GATE score in 2019 will be given preference over candidates having score of 2020, or 2021.
- ii. Candidates having GATE score in 2020 will be given preference over candidates having score of 2021.
- iii. If year of GATE score is same, then preference will be given to that candidate who has obtained better GATE marks out of 100.
- iv. In the unlikely event of their year of GATE score and GATE marks out of 100 being the same, preference will be given based on the All India Rank (AIR).
- v. In highly unlikely event of candidates having same year of GATE score, GATE marks out of 100, and AIR, Date of Birth will be considered. Elder candidate will be given preference.
- vi. In highly unlikely event of candidates having same year of GATE score, GATE marks out of 100, AIR, and Date of Birth, rank will be decided on the basis of Random number generation. Candidate with lower random number generated will be given preference.

3.2 Allotment Rules

Seat allotment is based on the merit list, choice list, category of the candidate, and availability of seats. Sequence in which seat categories are considered for seat allocation is given in Table 4:

Table 4: Sequence of Seat Categories for allocation

S. No.	Candidate's category tag	Sequence of Seat Categories for allocation
1	GEN	1. OPEN
2	GEN-PwD	1. OPEN 2. OPEN-PwD
3	GEN-EWS	1. OPEN 2. GEN-EWS
4	GEN-EWS-PwD	1. OPEN 2. OPEN-PwD 3. GEN-EWS 4. GEN-EWS-PwD
5	OBC	1. OPEN 2. OBC

6	OBC-PwD	1. OPEN 2. OPEN-PwD 3. OBC 4. OBC-PwD

The above sequence (in third column) will be followed only for those seat categories in which the candidate has a valid GATE score.

3.3 De-reservation Rules

De-reservation is the conversion of unfilled seats of some programme group/categories to another programme group/categories. There will not be de-reservation of unfilled seats in regular rounds. However, in Special Rounds-1 and 2, the unfilled seats will be de-reserved. In a particular round (SR-1 and SR-2), first iteration of allotment will be carried out without de-reservation and then the subsequent iteration will be carried out with de-reservation of unfilled seats related with some categories as per following rules.

The conversion of unfilled seats will occur first from *Programme Group* G5 to G4 to G3 to G2 to G1, etc. (refer section 11 “Seat and Eligibility Matrix” about details of these groups) in the same category and then the following sequence will be adopted for category-based de-reservation:

- a. Open-PwD → Open
- b. Gen-EWS-PwD → Gen-EWS
- c. OBC-PwD → OBC
- d. SC-PwD → SC
- e. ST-PwD → ST
- f. Gen-EWS → Open
- g. OBC → Open

Programme group G5 seats will be de-reserved to G4 group only when G5 group candidates possessing the minimum eligibility criteria are not available for G5 group seats and so on. The OBC/GEN-EWS seats will be de-reserved to Open Seats ONLY when OBC/Gen-EWS candidates, possessing the minimum eligibility criteria, are not available for the respective category seats. Similarly, the PwD seats will be de-reserved to non-PwD seats ONLY when PwD candidates, possessing the minimum eligibility criteria, are not available for the respective PwD seats.

4. Reservation of Seats

Reservation of seats for various categories is as per the norms of Government of India. Please refer to CCMT website for the detailed seat matrix.

5. Counseling Process for regular rounds

The counseling process broadly involves the following stages:

- i. Online Registration, Choice Filling and Locking.
- ii. Three Regular Rounds of Counselling
- iii. Reporting at the Finally Allotted Institute for Admission (kindly keep on visiting the CCMT website for any update pertaining to Physical/Online reporting based on prevailing COVID-19 situation).

5.1 Online Registration, Choice Filling and Locking

5.1.1 Online Registration and Payment of Registration Fee

To participate in the CCMT 2021 counseling process, all eligible candidates must first register themselves through an online registration process during the specified period (refer Schedule given on website) by providing GATE credentials, qualifying degrees, personal details etc. and paying the requisite registration fee (refer Table 3 for fee details). The registration fee can be paid using the ICICI Bank online mode (Net Banking/ Debit Card/I-Sure Pay) or at any branch of ICICI through e-Challan (refer section 8 for payment methods).

Please note that:

- The registration fee is non-refundable and will NOT be adjusted towards any other fee.
- All candidates must carefully enter their correct personal details, academic credentials, bank details, and other information during online registration.
- Candidates must read carefully all terms and conditions before clicking on the “I agree” check box.
- If the information submitted by the candidate is found to be fraudulent, incorrect or untrue at any stage, the seat allotted (if any) will be cancelled without any further reference and fees paid may be forfeited. Moreover, such candidate may no longer be considered eligible in subsequent rounds for admission and may also be liable for legal action.

5.1.2 Choice Filling and Locking

Upon successful registration, the candidates will be able to fill and lock their choices of programmes in the order of their preference from the list of eligible programmes offered by various PIs appearing in their respective CCMT login. During the choice filling, the candidates are free to change, reorder, delete and add their choices of programmes / Institutes as per their preference within the stipulated time period. The candidate will not be able to add/delete/reorder the choices after locking the choice list or due date and time of choice filling is over. Candidates must take print copy of their registration form, which contains the locked choices and terms and conditions. This print copy has to be signed and submitted by the candidate at the time of physical reporting at the finally allotted Institute.

Please note that:

- **Candidates must ensure themselves that they fully satisfy the eligibility criteria, including the special eligibility criteria** (given in the CCMT website) for their chosen programmes, before filling and locking them in their choice list. *CCMT and PIs are not responsible for cancellation of their allotted seat and/or admission due to their non-fulfilment of eligibility criteria, including special eligibility criteria.*
- All the candidates must lock their final choices by 23:59 hrs IST of the last day of choice locking as per CCMT-2021 Schedule. If a candidate fails to lock her/his choices by 23:59 hrs IST of the last day of choice locking, her/his last saved choices will be automatically locked and the same list will be considered for further counseling process.
- The saved choice list of the candidate must contain at least one programme. Registered candidates who do not fill any choice or fail to save them by 23:59 hrs IST of the last day of choice filling will not be considered for seat allotment and admission.
- **Candidates will not be able to unlock or change their choices once the choices are locked.** Hence, they are advised to lock their choices very carefully.

Candidates may take assistance through helpline email ccmt2021help@mnit.ac.in regarding issues related with registration and choice filling.

5.2 Three Regular Rounds of Counselling

Three rounds of seat allotment and document verification will be conducted, which will be followed by physical reporting at the finally allotted institute.

5.2.1 First Round of Counselling

Eligible candidates for seat allotment: Candidates who have registered for CCMT-2021, paid registration fee and filled & saved choices.

5.2.1.1 Seat Allotment

All the available seats will be considered for allotment. The choices submitted by the candidates during registration will be processed and a seat will be allotted based on the merit, as per the rules of allotment (See Section 3). The allotment result will be declared on the CCMT website and candidates will be able to download their Provisional Seat Allotment Letter (PSAL) from their CCMT login after depositing the Seat Acceptance Fee. **No hard copy of Provisional Seat Allotment Letter will be sent to the candidates individually.**

On allotment of a seat, the candidate is required to pay the seat acceptance fee, upload the required documents, and submit willingness as per the procedure mentioned in subsequent sections. If the candidate fails to perform any of these activities within the stipulated time period, (s)he will lose any claim on the allotted seat and will not be considered for seat allotment in subsequent rounds of counseling.

5.2.1.2 Payment of Seat Acceptance Fee

When a seat is allotted to the candidate, (s)he has to pay the **Seat Acceptance Fee** (refer Table 3) through ICICI Bank online mode (Net Banking/ Debit Card/I-Sure Pay) or at any branch of ICICI through e-Challan (refer section 8 for methods of payment) during the period mentioned in the Schedule given on website. In case the candidate fails to pay the Seat Acceptance Fee, her/his seat allotment shall automatically stand cancelled and (s)he will not be considered for the subsequent rounds of allotment. Proof of payment of Seat Acceptance Fee has to be produced by the candidate at the time of reporting at the finally allotted institute. **Only after payment of seat acceptance fee, the candidate will be able to download the Provisional Seat Allotment Letter (PSAL), upload the documents and submit willingness online.**

5.2.1.3 Online Document Uploading

On allotment of a seat and payment of seat acceptance fee, the candidate will have to upload the required documents (as per list mentioned in Annexure-III) through their login for online verification as per the schedule given on website. Please note that the option of document upload will be enabled only after payment of seat acceptance fee. Guidelines for document uploading will be made available on the CCMT website.

PwD candidates are required to upload the scanned copy of an Affidavit in a format mentioned in Annexure-VI in addition to the PwD certificate, which they need to carry in original at the time of physical reporting at the allotted institute.

If the original certificates are not in English/Hindi, English/Hindi version/translation of such certificates, duly certified by the Principal/Director or other competent authority of the graduating Institute, will be required.

5.2.1.4 Online Submission of Willingness

On allotment of a seat and payment of seat acceptance fee, the candidates are required to exercise one of the following willingness online through their login:

- i. **Float**, if they wish to be considered in the next round for all of their better preferred choices (*i.e.* across the Institutes).
- ii. **Slide**, if they wish to be considered in the next round for their better preferred choices only within the Institute allotted to them.
- iii. **Freeze**, if they are satisfied with the currently allotted seat and not interested in their better preferred choices in the subsequent round(s).

5.2.1.5 Online Document Verification

The document verification will be done by the verifying officer of the respective allotted institute only in the online mode. In case of a doubt regarding the documents, the Document Verifying Officer of the allotted Institute will raise a query to the candidate, against which, the candidate can respond through her/his login. This interaction between the Document Verifying Officer and the candidate can occur multiple times till the issue is not resolved. The candidate will be compulsorily required to submit his clarifications/documents in response to the queries raised by the Document Verifying Officer of the Allotted Institute in the stipulated time period, failing which he will be treated as Not-Reported, and hence her/his seat will be cancelled and will not be considered for seat allotment in subsequent rounds. In case, the seat is cancelled in Regular Rounds, the candidate may participate in Special Rounds, if (s)he fulfills the eligibility requirements at that time.

Updation of Candidate's data / Cancellation of seat during document verification

- a. During document verification, if the personal data submitted by the candidate during online registration is found to be false, her/his seat allotment is liable to be cancelled.
- b. If a candidate fails to produce valid category/PwD certificate, her/his allotment will stand cancelled if the presently allotted seat was based on her/his claimed category. However, in such case, if still eligible after updation of the category, s(he) may be considered for allotment in subsequent rounds, as per her/his updated category. But, after updating the category, if the candidate does not satisfy the minimum eligibility criteria, (s)he will NOT be considered for the subsequent rounds of counseling process. The category data may be updated during the online document verification period, after obtaining an undertaking (Annexure-VII) from the candidate to be uploaded online (which will be required to be submitted in original at the time of physical reporting at the finally allotted institute).

Following category conversion of the candidate is permitted:

Original Category	New Category
GEN-EWS	GEN
OBC	GEN
SC	GEN

ST	GEN
GEN-PwD	GEN
GEN-EWS-PwD	GEN-EWS

ST-PwD	ST

Following Category Conversion of the candidate is not permitted:

Original Category	New Category (not permitted)
GEN	GEN-EWS/OBC/SC/ST
GEN-EWS	OBC/SC/ST
OBC	GEN-EWS/SC/ST

- c. In case, the candidate is found ineligible at the time of document verification (online / physical reporting at the allotted institute) due to mismatch between her/his degree/discipline as per documents and that filled up during registration, her/his seat is liable to be cancelled and qualification degree/discipline name will be updated in the system. Such candidate will be considered in subsequent rounds and only those choices will be considered for allotment for which (s)he is eligible as per her/his updated qualification degree/discipline. Refer section 11 for Eligibility matrix of various programmes. The candidates are responsible to check the programmes in which they are eligible before including them in Choice List during registration.
- d. In case, the marks/CGPA filled in during registration do not match with that in documents, the same will be updated by the Document Verifying Officer. If the candidate fails to satisfy the minimum eligibility criteria based on updated information (refer section 2), her/his allotted seat shall stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any.

In case, the qualifying degree passing status filled in at the time of registration, is found to be different at the time of document verification, her/his qualifying degree passing status will be updated in the system if status is changed from “Appearing” to “Passed” but vice-versa is not

allowed. In case, the status is changed to “Passed”, the minimum eligibility criteria will be checked as mentioned above.

- e. In case of seat cancellation due to any of the above reason, **NO** fresh choice filling will be permitted at this stage under any circumstance. Refund of Fee will be dealt by the Refund Rules (refer section 9).

Issue of Online Document Verification Certificate (ODVC)

As an outcome of online verification of documents, an ODVC will be generated, which will be available for download in the candidate’s login. The ODVC will indicate the personal details of the candidate, details of the Institution and programme allotted, details of seat acceptance fee, the willingness (Float or Slide or Freeze) exercised by the candidate for subsequent rounds of allotment, and STATUS of document verification. The candidate should check all the entries in the ODVC and download it for producing the signed copy of the same at the time of physical reporting at the finally allotted institute.

All the candidates who have obtained ODVC from the portal and have Float or Slide willingness, should regularly visit the CCMT website for the status / up-gradation of their allotted seat in the subsequent rounds of allotment. They should take a print copy of the document (PSAL) indicating the new allotment if any, as available on the CCMT website.

Based on documents uploaded by the candidate for online document verification and fulfillment of queries raised by the document verifying officer, the STATUS of ODVC may be:

- Documents Verified Online for minimum eligibility
- Seat cancelled and eligible for subsequent rounds
- Seat cancelled and not eligible for subsequent rounds

After successful document verification and confirmation of the seat, the candidate will be required to complete the admission formalities by depositing the balance institute fee during the period of “Online Admission” after Round-3 of Regular Rounds as per schedule mentioned on the CCMT website failing which their seat will be cancelled and it will be treated as “Auto-Withdrawal”.

After taking admission in the allotted institute by depositing the balance fee in the stipulated time, the candidates are required to report at the Finally Allotted Institute in the “Final Reporting**” period after Special Round-2 as per schedule mentioned on the website, failing which their seat will be cancelled and the fee deposited will be forfeited.**

In case of seat cancellation, the candidate will lose any claim on the cancelled seat and the refund, if any will be made as per refund rules (refer section 9).

5.2.1.6 Change of Willingness / Withdrawal

After document verification, the candidates can exercise one of the following options during the period given in the schedule on website, if required:

- Change of Willingness (One more type of Willingness “*Surrender and Participate in Next Round*” is provided here in addition to “*Float*”, “*Slide*”, and “*Freeze*”)
- Withdrawal

This activity is optional, hence, if a candidate does not exercise any of these options at this stage, the ‘WILLINGNESS’ submitted earlier will be carried forward for subsequent rounds of allotment. Once ‘Withdrawal’ is exercised by a candidate (s)he will not be allowed to change the Willingness, however, vice-versa is allowed.

These options may be exercised by the candidate through her/his login well authenticated by a One-Time Password (OTP).

While exercising the option, same One-Time Passwords (OTPs) will be sent to the registered mobile number and email ID of the candidate. Candidates are required to enter the OTP correctly to confirm the chosen option.

5.2.1.6.1 Change of Willingness

Candidates, who have already exercised their willingness at the time of online document uploading through their login and got the documents verified successfully online, may change their willingness for subsequent rounds ONLINE during the period given in the schedule on website through their CCMT login. One more type of Willingness “*Surrender and Participate in Next*

Round” will also be available at this stage. Permission to change in Willingness will be as per following Table:

Table 5: Permission of Willingness Change

From	To
Float	Slide
Float	Freeze
Float	Surrender and Participate in Next Round
Slide	Freeze

i.e. the willingness can be changed from *Float* to *Slide*, or *Float* to *Freeze*, or *Float* to “*Surrender and Participate in Next Round*”, or *Slide* to *Freeze*. The vice-versa changes, i.e., from *Freeze* to *Slide*, or “*Surrender and Participate in Next Round*” to *Float* or *Freeze* to *Float*, or *Slide* to *Float* are not permitted.

This activity is optional, hence, if a candidate does not change the `WILLINGNESS', her/his earlier specified WILLINGNESS will be considered in the subsequent round(s) of allotment.

Surrender & Participate in Next Round:

After successful online document verification, if the candidate wishes to surrender the currently allotted seat at this stage but wishes to participate in subsequent rounds, s/he may select this Willingness, which means the candidate REJECTS the offered seat in the current round and wishes to participate in the next round. Such candidate will be considered in the next round for her/his choices above the currently allotted seat (which s/he has surrendered). Irrespective of the candidate being allotted / not allotted any seat in the next round, **s/he will have no claim on the seat allotted in the current round, which s/he has surrendered.** This implies if no seat is allotted in next round, the candidate will lose the already allotted seat in the current round.
