Good health is very important to me. Therefore, I get up every day at 6 and do Yoga for half an hour. Then I go for jogging with my friend. I come home around 7.30. I take a bath. At 8, I eat my breakfast. I eat 2 eggs and drink a glass of milk with honey. I think, milk tastes better with honey than sugar and it is also healthy. For lunch, I generally eat chicken with bread. I eat my dinner at 6.30. For dinner, I eat only soup and a big plate of salad. At 9 I go to bed, then I must get up early the next day to do Yoga! I sleep for 8 hours, because the body relaxes when sleeping. And, healthy children are not only physically fit but also can study better.
