## MESSAGE

It gives me immense pleasure to welcome you all to the University of Rajasthan, a prestigious institution of Higher Education, established in 1947, the year nation got independence. It is an honour and a privilege to lead this premier institution in its journey towards all-round excellence.

Our University offers a wide range of courses to prepare you for future job prospects in a progressively competitive ethos. Besides being a NAAC accredited A+ University, the status of "University with Potential for Excellence" has been awarded to University of Rajasthan by the University Grants Commission, New Delhi. Under Rashtriya Uchchatar Shiksha Abhiyan (RUSA) scheme of Government of India, the University receives grants for development of infrastructure, research and innovation. Through the various UGC & ICSSR minor and major research projects, the University has marked its presence in ground level work adding to policy making and nation building. It has entered into MoUs with reputed foreign Universities as well as Indian Institutions of Higher Education to facilitate academic exchange programmes that provide opportunities of national and international exposure to our students and staff.

The academic and student friendly environment of the University is empowering and encourages holistic development through its inclusive curriculum designs according to the standards of NEP-2020. Education here is skill-based which focuses not only on the vocational skill development but also emphasises on soft-skill trainings to facilitate communicative competence of students. The University has state-of-the-art sports amenities and coaching facility; separate girls and boys Hostels for Post Graduate student and Research Scholars; in-campus medical facility; Placement Cell and smart classrooms. Richly stocked Central Library provides round the clock access to e-journals along with an extensive collection of literature pertaining to different fields of study. There is a dedicated team of qualified faculty and diligent non-teaching staff that cater to the requirements of the students.

The heritage of its infrastructure and beautiful campus of University of Rajasthan and its constituent colleges yields a historic appeal adding along with a fusion of modern technology through a Wi-Fi enabled and solar panel installed campus. With its liberal approach towards students, the university is determined towards the safety of its students and thus we have a strict anti-ragging committee to control any such activity and the university holds the right to entail immediate disciplinary action against any anti-social activity.

All relevant information pertaining to University rules and admission requirements are provided in the University Website. Please feel free to visit the website [www.uniraj.ac.in](http://www.uniraj.ac.in) and be in touch with concerned College/Department for relevant information regarding your academic pursuit.

I once again welcome you to the University of Rajasthan and wish you success in all your endeavors.

## MESSAGE

The first National Policy on Education was introduced in 1968 by the Government of India. In 1986, the second National Policy on Education came, and later, in 1992, it was reformed. The National Education Policy 2020 (NEP 2020), launched on July 29, 2020, replaces the previous National Policy on Education (1986). The NEP 2020 aims to provide flexible learning experiences to students by minimizing the academic curriculum content and focusing on advanced skills such as analytical and critical thinking, experiential learning, and creativity. It focuses on the transformation of the Indian educational system, with a focus on quality enhancement. Moreover, it also aims at extending the prospects of research to young minds. Overall, the NEP 2020 puts emphasis on the holistic development of the students, where, in addition to the main academic subjects, they will also acquire skills that add value to their personalities.

To implement the NEP 2020 at the University of Rajasthan, Jaipur, on my kind request, the honorable Vice Chancellor constituted a subcommittee for the implementation of the National Education Policy-2020 (NEP 2020) in our university from the academic session 2023-24.

The following were the members of this committee:

Prof. P. J. John Convener	Department of Zoology
Prof. G. P. Singh Member	Department of Botany
Dr. M. L. Vasita Member	Department of EAFM
Dr. C. P. Singh Member	Department of Botany
Dr. Anil Aaniket Member	Department of History and Indian Culture
Prof. Shailendra Kumar Gupta-Special invitee	Department of Physics

The subcommittee had a number of meetings to formulate the framework for the Undergraduate Programme (UG) to implement NEP-2020. The final framework for the UG programme based on the UGC Curriculum and Credit Framework under NEP 2020 was prepared and submitted to the honorable Vice Chancellor. For effective dissemination and coordination of the newly developed UG framework, Prof. G. P. Singh was appointed as Nodal Officer for NEP-2020 at the University of Rajasthan, Jaipur. I would like to thank all the committee members for their meticulous efforts in finalizing the UG framework, with special thanks to Prof. Shailendra Kumar Gupta for his contribution to the same. To incorporate the main elements of NEP-2020, the prepared UG framework comprises Ability Enhancement Courses, Skill Enhancement Courses, and value-added courses with basic core subjects from major disciplines. It provides multiple entry and exit options for students to complete a recognized certificate/diploma/degree. I hope the new UG framework will be helpful in promoting the holistic development of students.

## UNIVERSITY OF RAJASTHAN: At A GLANCE

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as Rajputana University on 8 of January, 1947 and recognized from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of seven decades, it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are as follows:

- \* 9 Faculties, 35 Departments and 19 Research Centers.
- \* Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan. At present University has 615 affiliated colleges.
- \* Four out of the six constituent Colleges have been accorded College with Potential Excellence (CPE) status.
- \* Four PG Departments (Physics, Chemistry, Zoology, Philosophy) have been awarded UGC Centre for Advanced Studies status. Department of Physics and Economics have completed DSA Programmes and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) are running DRS programmes.
- \* Seven of the Science Departments are running DST-FIST programmes.
- \* Faculty members receive research grant through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR.
- \* A large number of Research Papers and books are being published by the Faculty members regularly.
- \* During last three years 7 international and 17 national conferences were organized by different departments. In addition to these 44 national seminars 4 international seminars One summer school, one national symposium and 45 workshops were also organized by different departments. Large number of participants and experts attended these conferences / seminars / workshops.
- \* Faculty participates in prestigious International Collaborations such as large Hadron Collider at CERN (Geneva), nuclear reactor at Dubna (Russia), Synchrotron radiation sources in Italy and Chicago, nono-particle based drug delivery research in Roswell Park Cancer Institute, State University of New York, Buffalo etc. Former Prime Minister Dr. Manmohan Singh gave recognition to this fact in his address at the 91<sup>st</sup> Indian National Science Congress in Bhubaneswar, in which he said "The University of Rajasthan leads among the top."
- \* The University has been accredited with Grade A by the National Assessment and Accreditation Council (an autonomous Institution of the University Grants Commission) on March 17, 2016.

The Department of Sociology has been sanctioned under UGC-SAP, DRS-III (2018-23) Status.

- \* Ministry of Human Resource Development (MHRD),

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, Constituent Colleges and Affiliated Colleges/Institutions. The University offers Ph.D. Programmes, Masters degree programmes, and Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for organizing conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

## Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges
- (b) Post-graduate Teaching Departments / Centres
- (c) Research Centres

### (a) Constituent Colleges

Undergraduate teaching is imparted in seven constituent colleges of the University, while the teaching faculty appointed in the University Post Graduate Departments:

6

- (i) University Commerce College (Commerce Faculty)
- (ii) University Law College (Law Faculty)
- (iii) University Law College centre-II (Law Faculty)
- (iv) University Maharani College (Multi-Faculty College for Women)
- (v) University Maharaja College (Science Faculty)
- (vi) University Rajasthan College (Arts and Social Sciences)
- (vii) University Five year Law College (Law Faculty)

Looking to the needs and demands of students, the University started courses at Rajasthan College, Maharani, Maharaja and Commerce Colleges on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides this, colleges also organize seminars, workshops, lectures and panel discussions to strengthen academics.

#### (b) P.G. Departments

Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Engineering & Technology are running PG programmes. Except in some SFS programmes, Admission to the P.G. Courses are based on entrance tests or on merit basis. Some of the P.G. Departments also run need-based self-financing courses. Eminent scholars have been the faculty in this university including Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V.R.Mehta, Y.K.Alagh, C.Rangarajan etc.

Research support and Special Assistance have been made available to many departments by the UGC. Several departments are actively engaged in innovative research, and have been recognized for the FIST, COSIST, CAS, SAP-DRS-I, II & III and DST DAAD programmes of the University Grants Commission. The research done by the faculty members have been reflected in publications of articles in peer-reviewed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement, needs of the students and the demands of society, syllabi have been upgraded time to time. The process of globalization has also prompted formulation of new courses which may go a long way in providing jobs to the students. Some of the courses started in recent times are as follows:

#### Post-Graduate Courses:

- (i) Biotechnology
- (ii) Microbiology
- (iii) Information Technology
- (iv) Journalism & Mass Communication
- (v) Finance Control
- (vi) Management
- (vii) International Business
- (viii) Environmental Science
- (ix) European Studies

#### The Under-Graduate Courses:

- (i) Computer Applications
- (ii) Business Administration
- (iii) Fine Arts
- (iv) Music
- (v) Library & Information Science
- (vi) Physical Education

#### The Five Year Integrated Courses:

- (i) Dual Degree B.Tech-M.Tech in Converging Technologies
- (ii) B.A. LL.B. Hons.

#### (c) Research Centres

The University also provides opportunities to the deserving students and teachers to undertake research in the fields of their specialization. For this purpose, Research Centres have been established. These research Centres have strengthened research. The following Centres are in existence:

1. Centre for Jain Studies
2. Centre for Converging Technologies
3. Centre for Computer Science & Information Technologies
4. Centre for Development of Physics Education
5. Centre for Non-Conventional Energy Resources
6. Indira Gandhi Centre for Human Ecology, Environmental and Population Studies
7. Dr. B.R. Ambedkar Chair
8. Shri Guru Gobind Singh Chair for National Integration and Sikh Studies
9. Centre for Ambedkar Studies
10. Centre for Life Long Learning
11. Centre for Museology and Conservation
12. Centre for Gandhian Studies
13. Centre for Rajasthan Studies
14. Centre for the Study of Social Exclusion and Inclusive Policy
15. Centre for Women Studies
16. South Asia Studies Centre
17. Social Sciences Research Centre
18. Centre for Mass Communication
19. Centre for Nutrition Sciences

#### The Support Services in the University

##### University Central Library

The Central Library building is located near the main gate of the University. It has a seating capacity of about 700 students. It has collection of more than 5 lac books, bound periodicals, etc. The Library subscribes to a plethora of current journals in physical form relating to various subjects. In addition, about 10500+e-journals are available for online access under e-Shodh Sindhu Consortium. RFID system has been installed for in house operations of the Central Library.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore Rs. from UGC under UPE grant. This building will be soon made operational.

## Sports Complex

The University has a Modern Sports Complex and also a Swimming Pool, which has been the venue of many National Swimming Meets and Inter University/National Tournaments. The University has always accorded a high priority to games and sports. Fully developed indoor Gymnasium Hall along with a Yoga Centre are the unique attraction of the Sports Complex. With the support of Sports Authority of India, we have established SAI, Day Boarding Centre in six games: Athletics, Volleyball, Table Tennis, Badminton, Hockey & Wrestling.

Our University is among the first 09 Universities in India to win the medals in West Zone, All India Inter University tournaments & World University Competition and to have excellent Physical Education and Sports facilities in One Complex. These are:-

Vaccination Camp also organised by the Health Centre to protect against COVID-19 Pandemic, Till now 5,362 have been successfully vaccinated by 2<sup>nd</sup> August, 2021.

## Students Advisory Bureau (SAB)

Students Advisory Bureau, established in the year 1962, is one of the oldest centres of the University of Rajasthan. SAB acts as a Nodal Centre for counselling and guidance not only for the students of University of Rajasthan, its constituted and affiliated colleges but also caters the counselling needs of all the adolescents, youth and their parents in general.

## Psychological Counseling Centre

The University has a Counseling Centre, to guide the students and resolve their personal and emotional problems.

## Hostels & Residences

The University and its Constituent Colleges have well furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or college campuses.

The University is at present running 19 Hostels, out of which 14 are in the Main Campus and rest are situated

in the Constituent Colleges.

Every Hostel has its own unique tradition. Youth festival is organised in each hostel every year. This festival leaves a memorable imprint on hostel inmates. An inter hostel youth Festival, 'Basant' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

Besides hostels, there are Teachers Hostel, Working Women Hostel and faculty residences located at the main campus. Some residences are for the non-teaching employees as well. The University has an eco-friendly environment. The nursery-cum-garden office of the university looks after lawns and parks. The university has nursery which has some rare plants and shrubs. Plant Exhibitions are also organized on various occasions.

## Students' Welfare

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

## UGC Human Resource Development Centre

The UGC- Human Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f. 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India.

## University Science and Instrumentation Centre

University Science and Instrumentation Centre (USIC) has endowed with advanced instruments as central facility like SQUID, SEM, TEM etc. catering to the need of University Science departments for research. These facilities information is available on [uniraj.ac.in/usic/](http://uniraj.ac.in/usic/). The facility can also be accessed by other academic institution as per UOR rules and details are available on university website. Besides the above, mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling are also available to those trained in and can do on their own.

## Infonet Centre

Infonet Centre maintains university website ([www.uniraj.ac.in](http://www.uniraj.ac.in)) and Web servers. The website information is updated by this Infonet Centre according to the request of the respective Academic unit, Administrative unit. Infonet Center caters Optical fiber Network in the University Campus. This connects all academic units, administrative offices, Guest House by using distribution switches and Access Switches. This Network is also supported by Optical Fiber backbone. This acts as an Internet gateway for the campus-wide university network. The campus-wide University network consists of state of the art networking equipment capable of providing high bandwidth with 1 Gbps fiber backbones

at distribution level to provide connectivity to all Faculties, Departments and Centres. The National Knowledge Network (NKN) Govt. of India project Point of Presence (PoP) is commissioned in the Infonet Centre through which University students and staff are interconnected through Internet with up to 1 Gbps connectivity for resource sharing with all major educational and research institutions across the country.

#### **University Printing Press**

The University has its own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University administration.

#### **Administrative Service Pre-Entry Training Centre (APTC)**

The Centre was set up by the University in 1978 and it has been given the status of an Independent Centre in 1999. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Sub-ordinate Services for over four decades on **Self-financing basis**.

The Centre is providing coaching for RAS, ICS, RJS, NET/SLET, Bank P.O., Spoken English, School Lecturer Grade-I, Junior Accountant and other competitive examinations. This Centre invites eminent academicians, bureaucrats, and experts in the respective fields, who impart incisive training to the students aspiring for various competitive examinations.

The Centre imparts rigorous training for competition examinations. The past performance in terms of selection of the students enrolled in this Centre has been very good as almost 1/3 of such students have been getting selected in the competitive examinations. The UPSC & RPSC results have rated the University of Rajasthan among top institutions, where from the candidates are selected.

### **International Cooperation Cell**

International Cooperation Cell established in 2007, works to facilitate cooperation between University of Rajasthan and International universities. It coordinates, negotiates and partners with International Universities to develop exchange programmes for faculty and students. From 2007 onwards, 61 mobilities of students and Faculty have taken place. Out of these, 21 students and 08 faculty members have come from foreign Universities to the University of Rajasthan and 20 students and 02 Faculty members have gone from University of Rajasthan to Paul Valery Montpellier-III, France; Jean Moulin Lyon-III, France; Aix Marseilles university, France, University of Montreal, Quebec, Canada, and Novosibirsk State Technical University, Russia.

In the last academic year, four students of ELLCS department pursued their one semester as exchange student in Jean Moulin Lyon 3, Lyon and Aix Marseilles University, France. MOUs with Universiti Teknologi MARA, Malaysia was signed in 2022

### **Academic Commitments of the University**

- \* National and International Seminars, Lectures and Workshops are organized regularly and faculty members are given all possible financial and academic support to participate in such events at National and International levels. Eminent scholars are also invited to the University as visiting faculty.
- \* Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies and the Board of Inspectors are regular in their meetings and vibrant and vigilant in their deliberations.
- \* The University examination system is fully computerised.
- \* To provide financial assistance to the needy students, a University Corpus Fund has been created.
- \* To ameliorate the grievance of every strata of University Community, a standing mechanism has been evolved wherein three separate Grievance Committees function on a continuous basis.
- \* The University of Rajasthan has been striving with fullest commitment to uphold the Hand Book and to sincerely implement the rules and regulations provided therein.

## AANANDAM PROGRAM

**"Aanandam" program** has been introduced in the University of Rajasthan as a compulsory subject in the curriculum of all PG degree courses of annual and semester scheme from academic session 2020-21 onwards. As per the mandate of NEP, Aanandam program aims to sensitize the students towards challenges and issues prevalent today in society and to instill the joy of giving in young people turning them into responsible citizens who will build a meaningful future for better nation. The course has been implemented in all University teaching departments/centers, constituent colleges and affiliated colleges of the University of Rajasthan to make students aware about their role and responsibilities towards the society. The course is the part of the curriculum in each year (Part II & III of UG (Pass/Hons.), Aanandam Program and Prev. & Final of (PG) of annual scheme courses and each semester of semester scheme courses with 30 minutes/day slot in time-table. During the year/semester, students are required to engage in individual and group community service activities by recording daily one act of goodness and undertake community service project as group activity. For group activity, the students are required to take up projects outside College/University hours with NGOs / Govt. / social service organizations. Individual and group activities are to be suggested/approved and monitored by mentors allotted by their college/department. Every month, with active participation of students the 'Aanandam Day' is to be celebrated by the department/college in which motivational lectures /movies/webinars/interactive sessions may be organized. Guidelines for the implementation of this unique compulsory subject 'Aanandam' and the details of the evaluation of projects, marking scheme, etc. are available on the University website

#### DETAILED INFORMATION ABOUT ADMISSION IN UNDERGRADUATE PROGRAMMES

#### University of Rajasthan Empowering Minds, Transforming Futures

The University of Rajasthan is the largest and oldest state-funded university in the Rajasthan State. As a prestigious institution recognized under Sections 12(f) and 12(B) of the UGC Act, the University of Rajasthan is committed to providing a transformative and future-oriented undergraduate program. Our university is dedicated to offering a holistic educational experience that empowers students with the knowledge, skills, and values required to excel in the dynamic global landscape of the 21st century. We are proud to announce the implementation of a Semester-based Three/Four-Year Undergraduate Program in all UG Programs of the Faculty of Arts, Commerce, Fine Arts, Social Science, and Science

From Session 2023-24. These programs are designed in accordance with the National Education Policy (NEP) 2020 and follow the guidelines set forth by the University Grants Commission (UGC) Curriculum and Credit Framework.

Embracing the Vision of NEP 2020: University wholeheartedly embrace the vision of NEP 2020, which advocates for a comprehensive and multidisciplinary approach to education. Our undergraduate program is meticulously designed to integrate the principles of NEP 2020, ensuring a well-rounded educational journey that fosters intellectual curiosity, critical thinking, creativity, and ethical values among our students.

#### Definitions, Eligibility, and Duration of the Programme:

##### Semester/Credits:

A semester comprises 90 working days and an academic year is divided into two semesters.

A summer term is for eight weeks during summer vacation. Internship/ apprenticeship / work-based vocational education and training can be carried out during the summer term, especially by students who wish to exit after two semesters or four semesters of study.

##### Eligibility Criteria:

To be eligible for admission to the undergraduate program, candidates must fulfil the following criteria:

1. Educational Qualifications: Candidates must have completed their higher secondary education (12 years of schooling) or an equivalent examination from a recognized board or institution.
2. Minimum Marks: Candidates must have obtained the minimum required marks or grades in the qualifying examination as specified by the university and the respective program of study.
3. Subject Requirements: Depending on the chosen program, candidates may be required to have studied specific subjects in their qualifying examination.

##### Duration of the Programme:

- i. The duration of the UG programme is 4 years or 8 semesters. Students who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year. If a student wants to leave after the completion of the first or second year, the student will be given a UG Certificate or UG Diploma, respectively, provided they secure the prescribed number of credits (as given in Table 1). Students who exit with a UG certificate or UG diploma are permitted to re-enter within three years and complete the degree programme.
- ii. Students may be permitted to take a break

**Major and Minor disciplines:**

**Major discipline** is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits through core courses in the major discipline.

**Minor discipline** helps a student to gain a broader understanding beyond the major discipline

**Ability Enhancement, Skill Enhancement, Value Added and Multidisciplinary / Interdisciplinary Courses:**

**Ability Enhancement Courses and Skill Enhancement Courses:**

To supplement the core curriculum, a range of Ability Enhancement Skill Enhancement Courses are offered by the University in accordance with UGC guidelines.

The aim of ability enhancement courses (AEC) is to develop competency in both Hindi and English language. These courses focus on critical reading, expository and academic writing skills, and the recognition of language as a mediator of knowledge and identity. Additionally, they provide cultural and intellectual insights into the chosen MIL and English language and emphasize the development of communication skills, including participation in discussions and debates.

Skill Enhancement courses (SEC) aim to develop students' domain-specific skills, enhance their employability, and foster a spirit of entrepreneurship. The specific courses offered (As approved by the CoC of SEC) may vary from year to year and will be notified on the university's website, ensuring that students have access to the latest and most relevant knowledge and skills.

**Value-Added Courses:**

In order to emphasize the importance of holistic development and the nurturing of well-rounded individuals, the university offers value-added courses alongside the academic curriculum. These courses provide students with additional skills and experiences. They include Understanding India, Environmental science/education, Courses in cutting-edge areas, Courses related to Health & Wellness, Yoga education, and engagement in activities such as the National Cadet Corps (NCC), National Service Scheme (NSS), social work, Anandam Program, and sports. Participation in these activities fosters personal growth, leadership qualities, teamwork, discipline, and a sense of social responsibility. The specific courses offered may vary each year and will be communicated through the university's website, as approved by the Committee of Courses for Value-Added Courses.

**Multidisciplinary / Interdisciplinary Courses:**

The University's undergraduate program includes introductory-level courses that aim to broaden students' intellectual experience and contribute to a liberal arts and science education. These courses are mandatory for all undergraduate students and cover various broad disciplines. Students are not allowed to choose or repeat courses that they have already taken at the higher secondary level and as major/minor discipline.

The broad disciplines for the introductory-level courses are as follows:

- i. **Natural and Physical Sciences:** Students can choose basic courses from disciplines such as Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, and more.
- ii. **Mathematics, Statistics, and Computer Applications:** These courses provide students with tools and techniques applicable to their major and minor disciplines. The courses may involve training in programming software like Python and applications software like STATA, SPSS, Tally, etc. These courses are beneficial for data analysis and the application of quantitative tools in science and social science.
- iii. **Library, Information, and Media Sciences:** Courses in this category focus on recent developments in information and media science, including journalism, mass media, and communication.
- iv. **Commerce and Management:** These courses cover areas such as business management, accountancy, finance, financial institutions, fintech, and more.
- v. **Humanities and Social Sciences:** This category includes courses related to Social Sciences, such as Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, and more. These courses help students understand individuals, social behaviour, society, and the nation. The humanities courses cover subjects like Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, and interdisciplinary courses. Interdisciplinary subjects like Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc., provide insights into society.

**Awarding UG Certificate, UG Diploma, and Degrees**

**UG Certificate:** Students who opt to exit after completion of the first year and have secured 48 credits will be awarded a UG certificate if, in addition, they complete one internship of 4 credits during the summer vacation of the first year.

These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

**Note:**

1. Discipline1/ Subject1, Discipline2/ Subject2 and Discipline3/ Subject3, all three cannot be from the same discipline/Subject. In the case of Arts Faculty, All three cannot be Language Discipline/Subject also all three cannot be social Discipline/Subject
2. Students are not allowed to take the same courses studied in the 12<sup>th</sup> class under the interdisciplinary/Multidisciplinary Courses.
3. 40 % of the credits in any category may be earned through online courses approved by the Department and Institution as per existing UGC

students. Our esteemed faculty members utilize innovative teaching methodologies such as lectures, seminars, group discussions, case studies, workshops, and experiential learning activities. These approaches foster student engagement, collaboration, and the practical application of knowledge, ensuring that students are well-prepared to meet the challenges of the modern world.

#### Learning Assessment:

We believe in continuous assessment to gauge students' progress and provide constructive feedback for their academic growth. Our assessment methods include regular assignments, quizzes, examinations, presentations, projects, and research papers. These assessments not only evaluate students' understanding of the subject matter but also assess their analytical thinking, communication skills, and ability to apply knowledge to real-world scenarios.

Continuous assessment, in which sessional work and the terminal examination will contribute to the final grade. Each course in Semester Grade Point Average (SGPA) has two components- Continuous assessment (20% weightage) and (End of Semester Examination) EoSE (80% weightage).

1. Sessional work will consist of class tests, mid-semester examination(s), homework assignments, etc., as determined by the faculty in charge of the courses of study.
2. Each Paper of EoSE shall carry 80% of the total marks of the course/subject. The EoSE will be of 3 hours duration.

Part-A of the paper shall have multiple questions of equal marks. This first question shall be based on knowledge, understanding and applications of the topics/texts covered in the syllabus.

Part B of the paper shall consist of 4 questions with an internal choice of each. The four questions will be set with one from each of the units with internal choice. Third to fourth questions shall be based on applications of the topics/texts covered in the syllabus (60 % weightage) and shall involve solving Problems (40% weightage) if applicable.

3. 75% Attendance is mandatory for appearing in EoSE.
4. To appear in the EoSE examination of a course/subject student must appear in the mid-semester examination and obtain at least a C grade in the course/subject.
5. Credit points in a Course/Subject will be assigned only if, the student obtains at least a C grade in midterm and EoSE examination of a Course/Subject.
6. **1 credit = 25 marks for examination/evaluation**

#### Letter Grades and Grade Points:

To ensure a fair and transparent evaluation system, we follow the letter grades and grade points system as per the UGC guidelines. Each course is assigned a letter grade based on the student's performance, which is then converted into grade points. The letter grades and grade points provide a comprehensive assessment of student's academic achievements and are reflected in their transcripts.

Letter Grade	Grade Point	Marks Range (%)
O (outstanding)	10	91 - 100
A+ (Excellent)	9	81 - 90
A (Very good) +	8	71 - 80
B+ (Good)	7	61 - 70
B (Above average)	6	51 - 60
C (Average)	5	40 - 50
P (Pass)	4	
F (Fail)	0	
Ab (Absent)	0	

#### Computation of SGPA and CGPA:

The Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) are calculated to measure students' overall performance. The SGPA is computed for each semester by taking the weighted average of the grade points earned in that particular semester, while the CGPA is calculated by considering the weighted average of grade points across all semesters. These indicators provide a comprehensive view of student's academic progress throughout their undergraduate journey.

Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

- i. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \sum (C_i \times G_i) / \sum C_i$$

Where  $C_i$  is the number of credits of the  $i^{th}$  course and  $G_i$  is the grade point scored by the student in the  $i^{th}$  course.

- ii. The Cumulative Grade Point Average (CGPA) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \sum (C_i \times S_i) / \sum C_i$$

where  $S_i$  is the SGPA of the  $i^{th}$  semester and  $C_i$  is the total number of credits in that semester.

#### Note

1. Marks obtained in each course and a weighted average of marks based on marks obtained in all semesters taken together shall be mentioned in the mark sheet.
2. The Letter grades, Grade Points and SGPA and CGPA shall be issued in the transcript for each semester and a consolidated transcript indicating the performance in all semesters.

#### Academic Bank of Credits (ABC)

Academic Bank of Credit (ABC) shall support Multiple Entry and Exit System (MEES) TO promote flexibility in curriculum ensuring mobility of learners across the universities of their choice.

The students shall also get an option to gain the credits by learning quality massive open online Courses (MOOCs) from UGC approved digital platforms such as Study Webs of Active Learning for Young Aspiring Minds (SWAYAM). This national-level credit account will facilitate the digital storage of earned credits from different HEIs

and the certificate/ diploma/ degree shall be awarded in line with the accumulated credits in a specific duration at the Undergraduate and Master's levels.

After registration in the national ABC framework, Multiple Entry System for smooth execution of multidisciplinary and flexible learning with impeccable credit count, credit transfer and credit acceptance from students' account shall be implemented.

#### Students' Entitlement

#### Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

#### 1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
  - 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar, comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.
  - 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
  - 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.
  - 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- #### 2. Quality of teaching and learning
- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by

facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.

- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.
- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.
- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.
- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

### 3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

### 4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].
- 4.2. The students are entitled to reasonable access to sports and recreation facilities, avenues for literary, aesthetic and other extra-curricular pursuits.
- 4.3. The student are entitled to reasonable attention to medical and health requirements including free and periodic health check-up and treatment/ hospitalization in case of medical emergencies.
- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for

profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.

- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPP II), F.No.6-1/2012(SCT)]

5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

- 5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]
- 5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others (JT 1997 (7) SC 384)]
- 5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

### Introduction

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University. Out of the Students Welfare Fund of the University, the office facilitates the University in providing "One time financial assistance" who belong to economically weaker sections with higher academic grades.

Under the administrative supervision of the DSW, there is Rajasthan University Students' Union (RUSU) which consists of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular UG and PG students of the University. One research scholars' representative is elected by the regular M.Phil and Ph.D. students.

The Dean Students' Welfare and the RUSU collectively organize numerous cultural and academic activities. Inter-College Youth Festival is organized in the month of September/October every year. This competition is among the Constituent Colleges, Departments, Centres of University and Affiliated Colleges. This helps the DSW to make a team for the International Youth Festival i.e. (Ghoomar) which is a prestigious cultural activity of our University.

राजस्थान विश्वविद्यालय, जयपुर के हिन्दी विभाग की स्थापना 1 जुलाई 1961 ई. को हुई थी। इससे पूर्व यह विभाग महाराजा एवं महारानी कॉलेज में संचालित होता था। अपनी स्थापना के समय से ही हिन्दी विभाग को अकादमिक क्षेत्र के शीर्ष विद्वानों का नेतृत्व प्राप्त हुआ। इनमें डॉ. सरनाम सिंह शर्मा, डॉ. माताप्रसाद गुप्त, डॉ. सत्येन्द्र, डॉ. विश्वम्भरनाथ उपाध्याय, डॉ. हीरालाल माहेश्वरी प्रमुख हैं। वर्तमान में **प्रो. उर्वशी शर्मा** विभाग की अध्यक्ष हैं। विगत वर्षों में विभाग में राष्ट्रीय एवं अन्तरराष्ट्रीय स्तर की कई संगोष्ठियाँ एवं कार्यशालाएँ आयोजित की गईं। हिन्दी विभाग उपलब्ध अकादमिक संसाधनों का समुचित उपयोग करते हुए अपनी लक्ष्य-प्राप्ति हेतु सतत प्रयत्नशील है। अंतरानुशासनिक शोध हेतु यह विभाग इतिहास, समाजशास्त्र, दर्शनशास्त्र, जनसंचार एवं पत्रकारिता तथा नाट्य विभागों के साथ सक्रिय है।

### दादू अध्ययन प्रकोष्ठ

राजस्थान में उपलब्ध पाण्डुलिपियों के विपुल भण्डार के अकादमिक उपयोग तथा मध्यकालीन साहित्य के अध्ययन एवं अनुसंधान को बढ़ावा देने के लिए विभाग में 'दादू अध्ययन प्रकोष्ठ' की वर्ष 2012 में स्थापना हुई। इस प्रकोष्ठ के अन्तर्गत दादूपंथी साहित्य और संत परम्परा पर शोध कार्य करने हेतु शोधार्थियों को प्रोत्साहित किया जाता है तथा प्रतिवर्ष राष्ट्रीय संगोष्ठी का आयोजन किया जाता है।

### वैष्णव साहित्य अध्ययन केन्द्र

राजस्थान मध्यकालीन सगुण भक्ति का केन्द्र रहा है। राजस्थान में विभिन्न भक्ति संप्रदायों की पीठ स्थापित हैं तथा प्रचुर मात्रा में पाण्डुलिपियाँ उपलब्ध हैं। इस विपुल साहित्य और भक्ति परम्परा पर शोध अध्ययन हेतु वर्ष 2016 से विभाग में 'वैष्णव साहित्य अध्ययन केन्द्र' की स्थापना की गई। शोध छात्रों को फेलोशिप एवं प्रतिवर्ष राष्ट्रीय संगोष्ठी का आयोजन भी इस केन्द्र के तत्वावधान में किया जाता है।

### अकादमिक उपलब्धियाँ

- हिन्दी विभाग में सत्र पर्यन्त शैक्षणिक एवं सह-शैक्षणिक गतिविधियाँ सुचारु रूप से आयोजित होती हैं।
- विभाग के संकाय सदस्यों की विगत वर्षों में अनेक पुस्तकें प्रकाशित हुईं तथा देश की प्रतिष्ठित अकादमिक संस्थाओं से पुरस्कार एवं सम्मान प्राप्त हुए। संकाय सदस्यों ने राष्ट्रीय एवं अन्तरराष्ट्रीय संगोष्ठियों में सहभागिता की।

### About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

It has so far organized more than 5 International, 10 regional and 31 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. In 2019' the Centre organized a one day National Seminar on "अनेकांतवाद और सर्वोदय" on 23rd March 2019. In 2021 the Centre organized a International

### Department of Education

#### About the Department

The Department of Education was established in 1976 to impart Teaching Education at the degree level through the distance learning mode. After the restructuring of University of Rajasthan, The Department of Education was granted permission in 1992 to Conduct M.Ed. Course and to promote research in Education.

#### Aims and Vision

The vision of the Department is to prepare a professional cadre of committed and competent Teacher or Educators.

#### Infrastructural Facilities

The Department has its own library consisting more than 3500 books along with a Computer laboratory is well equipped to create better world class educators.

#### Ph.D. Programme

#### Other Highlights & Achievements

A number of students qualified from the Department have got employment in teacher training institutions and schools.

The department organizes seminar to give exposure to the students along with training part.

Research scholars of the subject have availed research scholarship.

### Department of Library & Information Science

#### About the Department

The Department was established in the year 1960. It is the oldest Department of Library & Information Science in the state of Rajasthan and one of the few in the country to have started Masters' Doctoral Degree programmes. It started Masters' Doctoral Degree programme in the Subject as early as 1974 and 1975 respectively. The Department has already produced more than 60 Ph.D and many students are pursuing the research degree. A number of EX-Student of this department are serving in senior positions in the country and abroad in premier and prestigious institutions. In view of the changing Scenario due to rapid development in ICT, the syllabus for both MLIS & BLIS have been revised to include ICT based curriculum as per U.G. Model.

#### Infrastructural Facilities

The Department is a well equipped modern ICT Laboratory, with state-of-the-art-facilities.

## Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

Lifelong education is the cherished goal of an ideal educational process. In a technology-driven, knowledge-based competitive economy, the landscape of learning is changing. Keeping in view the socioeconomic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The Department of Lifelong Learning (DLL), University of Rajasthan, caters to this critical development issue of continuous development of quality and quantity human resources and up gradation of skills.

The responsibility of the University to discharge its responsibilities adequately to the entire education system and the society as a whole has been assumed by the Department of Lifelong Learning in the manifestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals, and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community, DLL conducts short-term training courses, workshops, seminars, summer schools, capacity building, skill development programs, etc., throughout the year. The department organizes need based, flexible programs, catering to the diverse needs of small and large segments of people.

DLL has successfully reached out to large sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization and awareness Programs regarding universal literacy, gender justice, etc. As per the directions by the Governor under the

Mission Antyodaya, the department has adopted a village - Siroli (Tehsil-Sanganer) and two other villages- Sewapura & Tatiyawas (Tehsil- Amer) under Smart Village Scheme, to extend its services towards the upliftment of society on behalf of UOR. The department has been successful in organizing and implementing various programs to bring these sections into the mainstream.

HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development, etc. Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling, and guidance program for youth. DLL also develops teaching-learning, instructional, training, and promotional material to provide academic/technical support to different programs. DLL has engaged in conducting English language teaching classes in rural areas, government schools, and urban slums for the needy and poor and e-learning for senior citizens and deprived sections of society. Collaboration and support for various activities and programs are solicited from university departments, colleges, NGOs, and resource centres of the National Literacy Mission Authority.

The aims and objectives of the department are to promote a meaningful, sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, facilitate people's overall development, and meaningfully help improve the overall quality of life

## Department of Physical Education

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04. M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 78 Students have been awarded Ph.D. in Physical Education.

### Centre for Converging Technologies

#### Convergence an adumbration

“Converging technologies for improving human performance” (M.C. Roco and W.S. Bainbridge)

Humans have been trying to bargain existential risks. The science of converging technologies will reinvent every aspect of human lives, taking humanity into uncharted territories and reimagining the world as they know it.

The expression converging technologies refers to the synergistic combination of four major “NBIC”(Nano-Bio-Info-Cogno) streams of science and technology, each of which is currently progressing as a pivot on its own: (a) nanoscience and nanotechnology; (b) biotechnology and biomedicine, including genetic engineering; (c) information technology, including advanced computing, IOT, AI and communications; and, (d) cognitive science, including cognitive neuroscience. Rapid advances in converging technologies have the potential to payoffs will include improving work efficiency and learning, enhancing individual sensory and cognitive capabilities, revolutionary changes in healthcare, improving both individual and group efficiency, highly effective communication techniques including brain to brain interaction, perfecting human-machine interfaces including neuromorphic engineering for industrial and personal use, enhancing human capabilities for defense purposes, reaching sustainable development using NBIC tools, and make better the physical and cognitive decline that is common to the aging mind.

#### About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

#### The Centre is pursuing the following activities:

- Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating,

designing, and applying NBIC technologies in an innovative way.

- Developing laboratories and facilities to efficiently engineer and design new products.
- Promoting research in allied theoretical science, Systems Biology and Metabolomics.
- Encouraging post-doctoral students in Converging Technologies to boost the capacity for research.
- Imparting postgraduate education in Converging Technologies.
- Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development.

#### Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership.

The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155) a Rs. 13 Crore budgetary support to setup a "Centre of Excellence for Nanotechnologies" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", DIC Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, GOI and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (UIC-B). This is a unique platform acting as the nodal center for budding student entrepreneurs and innovators with industry academia collaboration. The UIC-B has been upgraded to E-Yuva Centre (EYC) in 2021.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students awarded fellowship under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE.

#### **Ph.D. Programme:**

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj- MPAT.

#### **Thrust Areas:**

- Nanotechnology
- Biotechnology and Bioinformatics
- Information and Communication Technology
- Cognitive and Neuroscience

#### **Master's Programme**

- (1) Ten Semesters (Five year) Integrated Dual degree

Master of Technology (M. Tech.) course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B. Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance. Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

#### **Eligibility:**

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Advanced), JEE (Main), NEET, AIIMS, BITSAT, RPMT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and

Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2023 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students.

(2) Six Semesters (Three year) Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semesters of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

## University Innovation Cluster In Biotechnology (UIC-B) E-YUVA

The E-YUVA (Encouraging Youth for Undertaking Value Added Innovative Translational Research) Scheme funded by Biotechnology Industrial Research Assistance Council (BIRAC) aims to promote a culture of applied research and need-oriented (societal or industry) entrepreneurial innovation among young students and researchers. The scheme is implemented through E-YUVA Centre (EYC) at University of Rajasthan to inculcate entrepreneurial culture through fellowship, annual research grant, pre-incubation support and mentoring. EYC is housed within the University campus and mentored by the BIRAC BioNEST supported TIDES Business Incubator of IIT Roorkee. The scheme provides support for students under the following two categories:

**BIRAC's Innovation Fellows (for post graduates and postdocs)**

**BIRAC's E-YUVA Fellows (for under graduate students)**

**Chief Coordinator**

John, P. J.

**Deputy Chief Coordinator**

Mishra, Preeti

The scheme provides:

Funding support through fellowships and research grants. Technical and business mentoring. Exposure to bio-incubation model. Orientation to Entrepreneurial culture. The aim of the E-YUVA Centre is to play the role of a facilitator to stimulate entrepreneurial activities within the University and establish networks with the industry.

To develop area specific technologies for the industries through R&D projects of student entrepreneur.

90

To develop and strengthen the Industry-Academia partnership for research sponsorships development

To provide Intellectual Property protection and management services; and facilitate the technology transfer and commercialization.

**Total space:3000sq ft.**

**EYUVA Knowledge Partner:**

TIDES Business Incubator, IIT Roorkee.

Presently **3 Innovation Fellows** and **5 E-YUVA Fellow teams** are being supported under the EYC scheme.

### Rajasthan University Biotechnology Incubation Centre (RUBIC)

RUBIC is a non-profit biotech business incubator facility established with the help of State DST Government of Rajasthan and formalities are undergoing to launch in the next few months. Our **mission** is to facilitate and assist the creation, growth, and success of the next generation of biotech companies in state of Rajasthan to nurture entrepreneurial and economic development in the community. We aim to do this by maintaining affordable lab and office space and making progressive technology, services, training, mentoring, and a network of professional advisors available to small biotechnology companies and healthcare-related start-ups.

### Centre of Nutrition Sciences

Centre for Nutrition Sciences is an innovative initiative by the University of Rajasthan, Jaipur for carrying out the skill oriented courses in Nutrition. The centre will be offering certificate courses in basics of Clinical Nutrition, Public Health Nutrition and Sports Nutrition. The centre will be organising various skill oriented workshops and trainings also .

The centre will be a hub for aligning with government and non government bodies for training, development and research.

## Design Innovation Centre

Under the scheme National Initiative for setting up of Design Innovation Centre, Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan, Jaipur. The DIC has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh and Lachoo Memorial College of Science and Technology, Jodhpur. The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

### Training programs:

- Food Design Coordinator
- Computer Aided Drug Design (CADD) in association with Birla Scientific Industrial Research (BISR)- Coordinators: Dr. Neelima Gupta (UOR) and Dr. M. Krishna Mohan (BISR)
- Inclusive Development in Materials Science- Coordinator- Dr. Alka Sharma

- Instrumentation Techniques in Science and Technology-; Coordinators: Dr. Amanpal Singh and Dr. Mamraj Singh
- Intellectual Property Rights/Patents-Coordinators: Dr. Vidya Patni and Dr. P.J. John

All the above programs will be offered free of charge to already admitted PG students of Faculty of Science and Faculty of Engineering and Technology of University of Rajasthan. Besides this, SMS Medical, Rajasthan University of Health Sciences, Colleges within the District of Jaipur wherever PG courses in Science are running. The timing of the courses will be between 3 PM-6 PM to avoid clash with the regular timing of the courses. Upper limit for intake of students in each stream is 40 students only subjected to a minimum of 5 students to start the course. Admission will be offered based on the applications received with merit determined from the last examination/semester passed and if necessary, first come first basis.

The admission notification, educational qualification and all other requirements for these programmes for the session 2021-22 will be given separately in news papers and on university website: [www.uniraj.ac.in/cct](http://www.uniraj.ac.in/cct).

### Department of Dramatics

#### About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all-round development of the students. This is one of the renowned institutions of learning theater arts in the entire country and provides an opportunity of five years training programme followed by Ph.D.

#### INFRASTRUCTURAL FACILITIES

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities.

### Department of Drawing & Painting

#### About the Department

The Department of Drawing & Painting Started PG classes along with UG Classes at Maharani College in 1973. Along this in University Campus Department Started PG and Research in 1974.

The Department of Drawing and Painting aims to enhance the artistic aptitude and creative talent on the students and scholars in the field of Fine Arts. Special attention is given to interdisciplinary approach. The innovative ideas and research oriented aptitude are encouraged and inculcated. Department organized International and National conferences, Seminars, Refresher course and National and Regional workshops and Demonstration by the eminent artists. Other Professors from different Universities delivered lectures to train the P.G. students and Research Scholars in the new perspective of Indian Traditional & Contemporary Art.

##### Certificate Course in Painting

Seats: 30 Duration: (One Year)

##### Beneficial Aspects :

The course provides a method of looking toward painting, drawings and prints which is both flexible and clear.

The course will enable students to learn how to look in a more objective and analytical way and learn the visual vocabulary and glossary of terms.

The main objective of this course is to improve interest in painting, basic understanding about painting as an art, introduction to the various techniques used in painting, to develop aesthetic understanding, introduction to the history of art.

It helps to develop a new ethical view to understanding the Art World.

#### Other Highlights & Achievements

Faculty has published a remarkable number of books and research papers in different art journals

Organised one-man shows and group shows of painting by faculty members in various prestigious art galleries of the country and abroad.

## Department of Visual Arts

### About the Department

Department of Visual Arts started teaching the professional degree course BVA in three disciplines such as Painting Sculpture and Applied Arts in the year 1987. We have been able to orient a good number of professionals in the subject of Visual Arts, and some of our scholars have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Exhibitions, Art, Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 13 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved and we are confident that our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts.

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our courses of Masters in Visual Arts have been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

### Department Facilities

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshop for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

### Faculty

#### Head & Associate Professor

Pandel, Rajat

#### Associate Professor

Sen, Sumit

#### Assistant Professor

Kovoor, Thomas John

Vyas, Kamlesh

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. The interaction with artists highly motivate our students..

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students thus provide them a workplace of the 21<sup>st</sup> Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have wider knowledge base.

#### Department of Law

##### About the Department

The Department of Law at the University of Rajasthan has a rich history, dating back to 1947 when the university was founded. Initially housed in University Maharaja College, Jaipur, it was later shifted to the University of Rajasthan in 1953.

The department started offering LL.M. courses and subsequently introduced diplomas in Labour Law, Criminology, and Taxation. It finally became an independent institute in 1993. Since then, the department has expanded its offerings to include P.G. Diploma in Environmental Law (SFS Course) and LL.M. in Human Rights and Value Education (SFS Course). Additionally, the department offers a Ph.D. programme in Law.

Our alumni have excelled in their careers, holding prestigious positions such as Supreme Court/High Court Judges, Senior Advocates, civil servants, judicial officers, law officers, academia, and bankers among others.

##### DEPARTMENT PUBLICATIONS

The Department of Law annually publishes the prestigious Journal of the Legal Studies (JLS) ISSN 2321-8452. The Journal of the Legal Studies is in the continuance of "The Jaipur Law Journal" which has been the acknowledged Journal of the University Legal Studies in Law of the University of Rajasthan, Jaipur, since 1961. So many renowned legal luminaries have contributed their research articles in the previous volumes. Website: <https://sites.google.com/view/jlsuor/home>.

## University R.A. Podar Institute of Management

## About the Institute

University R.A. Podar Institute of Management was established in 1974 as a constituent unit of the University. It was the sixth B-School to be established in the country.

The Institute has carved out a niche for itself in the field of management education especially among the state university level B-Schools. In addition to the permanent faculty, the highly experienced visiting faculty add rigor to the academic program. The curriculum is contemporary and taught through interactive pedagogies.

In addition to the M.B.A. courses the Institute also offers a Ph.D. program in Management. The alumni of the Institute are well placed in the corporate sector, civil services, banking and other financial services, management academics, business and consulting.

During the past five years the major companies which have recruited from the campus include.

- Engineers India Limited; Deloitte; Ceat Tyres; Dabur India Ltd.; Vodafone; UltraTech Cement;
- Nestle; ITC; 1K Kirana Bazaar;
- Homefirst; Finpe; Flexsol; Planet Spark; Sanguine Global; Sarvika Technologies; SIS Ltd.; SRNTS; Correct Vision;

**About the Department**

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in May 1971. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Nano Science, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from RUSA 1.0, 2.0 UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, AV Humboldt, DANIDA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

**Infrastructural Facilities**

The Department has well-equipped research laboratories, growth chambers, one central instrument room, seminar hall, four teaching labs, two major and six small class rooms for elective papers, one internationally recognised herbarium containing more than 20,000 preserved specimens and a Botanical garden. With heavy economically important species Department learning resources like charts, slides, museum, apociueas, and facilities like computers, internet, LCD for independent learning.

Botanical excursions are organized to study local flora and plant diversity of the desert and mountain ecosystems. Department has support from the forest department and students are encouraged to attend their trainings and

## Department of Chemistry

### About the Department

The Department of Chemistry came into existence in July 1960 and ever since its inception has been at the forefront of higher education and research in Rajasthan. It is the largest Department in the University of Rajasthan providing a platform with enriching academic atmosphere to students for realizing the goals of quality enhancement and diverse opportunities in cutting-edge sustainable research. With Prof.(Mrs.) Meenakshi Jain as present Head of the Department, current faculty strength includes Seven Professors, two Associate Professors and thirty seven Assistant Professors, who have strive to foster an academic environment that provides holistic and value based quality education leading to overall development of the students.

Department offers M.Sc. (Chemistry) and Ph.D. courses at University campus. In addition, Chemistry is offered as one of the major elective subjects in B.Sc. Pass and B.Sc. Honors courses at University's two constituent Colleges. Majority of PG students qualify NET/GATE examination and successfully compete in national level tests for placement in ONGC, NTPC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum companies, Pharmaceutical R&D sector, etc. After the successful implementation of six phases of UGC's DSA-SAP program for 33 years, the Department was recognized as the Centre for Advanced Studies in Chemistry in 2005. Under UGC (SAP)-CAS program a large number of academic activities such as Seminars, Workshops, Conferences and Extension Lectures by Eminent Scientists/Academicians have been organized regularly. The Department has been recipient of the major equipment grants under FIST program of the Department of Science and Technology, Government of India and BSR grant of the UGC.

The department focuses on both - the updated teaching curriculum providing a choice of elective courses and opportunity to undertake a research project to PG students and advanced research facilities to researchers for working in the frontier areas of chemistry and its interface with allied disciplines. Majority of research and PG laboratories have been renovated with modern infrastructure. The Department is well equipped for research facilities that include sophisticated instruments, viz., FT-IR Spectrometer, UV-Visible Spectrometer, Electrochemical Analyzer, Semi-preparative HPLC, Fluorescence spectrometer, Microwave Synthesizer, Surface Area and Porosity Analyzer, Benchtop NMR, ICP-OES, Digital Spectrophotometer, Polarograph, Rotavapor, Basic Electrochemical System, Polarimeter, COD Digestion Apparatus, Incubator, Autoclave, etc. Many Faculty members receive financial support for research from various Government funding agencies including SERB-DST, CSIR, UGC, DAE, ICMR, etc. Collaborative interdisciplinary research projects are also being carried out simultaneously. Research accomplishments of the Department are reflected by an impressive publications record and significant number of completed and ongoing projects. Most of the research work has been published in refereed journals of international repute having high impact factor. The Department is acknowledged for high quality research at National as well as international level.

#### **Major Thrust Areas available in the Department for Ph.D. Programme are -**

- Biologically Important Heterocycles
- Biochemistry, Biomedicine and Biomaterials
- Coordination and Bio-inorganic Chemistry
- Corrosion Science and Electrodeics
- Computational Chemistry and Molecular Modeling
- Green Chemistry and Environmental Science
- Material Science and Nanotechnology
- Natural Products and Pharmaceutical Chemistry
- New Synthetic Approaches, Reagents and Catalysis
- Organometallic and metalloorganic Chemistry
- Polymer Chemistry and Macromolecules
- Photo and Electrochemistry
- Reaction Dynamics and Electrochemistry
- Renewable Energy and Energy Storage

Several faculty members have earned Awards, Honours and Recognitions at National/International level and are invited to deliver Plenary/Keynote/Invited lectures in International conferences in India and abroad. Department is proud to have a record of its Faculty members and research students being selected for prestigious research awards & fellowships and have visited International research organizations to carry out interdisciplinary research in collaboration with Institutes and Universities in Germany, UK, USA, Australia, Japan, etc. Faculty members of the Department are not only life-members of important professional and academic societies but also hold positions of office-bearers of several prestigious societies. National and International Conferences/Workshops and Invited lectures of Eminent Scientists & Academicians from National and International reputed Institutes and Universities are also regularly organized for the exposure of the research students to the current advancements in the contemporary research. The Department is also actively engaged in organizing the faculty recharging programs of UGC-HRDC.

## Department of Geography

### About the Department

The Department of Geography established in 1962 at University Rajasthan College, Jaipur for undergraduate level under Arts Faculty. Thereafter, from 1974 and 1987, undergraduate teaching began in Science Faculty in University Maharaja's College and in Science/Arts Faculty at University Maharani College respectively. The Post Graduate Department was established in 1967. The faculty is also actively engaged in research programmes. The Post Graduate Department later shifted to the University Campus in 2002.

### Infrastructural Facilities

The Department of Geography Possess one of the richest infrastructure facility in India. It has a well equipped Remote Sensing and Geographical information System Laboratory The Department of Geography is equipped with a total of eight classrooms among which three are equipped with Smart classroom facilities. Additionally, there are two seminar halls with seating capacities of 100 and 300 persons respectively. The Department also provides Library facilities to cater to the Academic needs of its Students and faculty.

## Department of Geology

### About the Department

The Department of Geology was established in 1985 when postgraduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. At present, the Department runs M.Sc. and Ph.D. Programmes with the following objectives.

Creating and effectively disseminating comprehensive knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

Educating and preparing students to take up responsibility as professional geologists in exploration, mining sector and other relevant organizations as well as research scientists and academicians in research and academic institutions.

Integrating scientific knowledge from geosciences and allied fields for application in solving issues of societal relevance, such as natural resource management, natural hazard evaluation and mitigation, environmental management, etc.

Providing basic infra structural facilities to carry out research in specified fields of geosciences.

To achieve the above goals, the Department offers a very congenial academic atmosphere based on regular student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department regularly organizes training programmes and special lectures to benefit both the students and the faculty.

#### Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

**Geochemical Lab:** Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance.

**Sample Preparation Lab:** Sieve shaker, Jaw Crusher, TC Ball Mill and Rock cutting machine.

**Gemmology Lab:** Refractometer, Spectroscopes, Dichroscopes, Ruby, Chelsea and Jadeite filters and loupes.

**Petrological Lab:** Petrological Microscopes, Automatic thin section preparation unit, rock-cutting machines.

**Palaontology Lab:** Binocular microscopes, High resolution Zoom Stereomicroscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

**Museum:** The departmental museum has an impressive collection of rocks, minerals and fossils including representative lithounits of major stratigraphic units and a range of metallic and non-metallic ore minerals.

#### Ph.D. Programme and Thrust Areas

Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Settings, Rock Magnetism)

Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)

Environmental Geology

Hydrogeology

Economic Geology

#### Master's Programme

MASTER OF SCIENCE (GEOLOGY)

Seats: 10. Duration: Four Semesters (Two Years)

#### Other highlights:

The Department of Geology has a unique distinction of being recognized by the Oil and Natural Gas Corporation (ONGC) of India as one of the premier departments of geology for partnership under the Industry-Academia interfaces. The ONGC grants a one-year scholarship of Rs. 5000/- per month to the student who obtains the highest marks in M.Sc. first year examinations. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. Software "Virtual Petrological Microscopes" developed by the faculty member of the department is being used by number of geology departments all over the country as a useful teaching aid.

**RUSA2.0 projects:** Two projects are running in the department; project no. 8 is on "Water & soil quality assessment in the western part of Banganga River Basin, north-eastern Rajasthan and its impact" and the other project no. 9 is on "Suitability of Mukundra as Tiger Reserve Exploring Possible Wildlife Corridors: Geo-scientific Attributes"..

## Department of Home Science

#### About the Department

The Department of Home Science was established in 1985. The Department offers post-graduation in 3 subjects i.e., Foods and Human Nutrition, Human Development and Family, and Development Communication and Extension, Ph.D. programmes in five disciplines, namely, Foods and Human Nutrition, Human Development and Family, Development Communication and Extension, Clothing and Textiles, and Family Resource Management. The undergraduate courses include B.Sc. Home Science and B.A. Home Science as a subject are offered at University Maharani College. The Department also offers a Certificate Course in Public Health Nutrition (SFS).

The admission in M.Sc. as well as in Ph.D. programmes takes place through the entrance examination conducted centrally by the University of Rajasthan, Jaipur.

The Department has received UGC SAP DRS I from 2010-2015 and UGC SAP DRS II from 2016-2021. UN agencies like UNICEF support the Department of Home Science as one of its close and active partners to

**Development Communication and Extension:** Seats: 15, Duration: Four Semesters

#### Other Highlights & Achievements

1. There are several career opportunities for students in field of dietetics, public health nutrition, counselling, early childhood education, special educators, NGOs, and community work.
2. Government jobs like pre-school, college & school educators, FSSAI, ICDS.
3. In the past years, a large number of students have been employed as college lectures, dietitians and nutritionists at hospitals, wellness centres and NGOs, UNICEF, CARE, and GAIN etc. family counsellors, special educators in special schools, pre-school educators, activity resource persons, entrepreneurs and public health workers.
4. Many students have obtained scholarships under UGGJRF, Rajiv Gandhi Foundations, etc.

"The Admissions for M.Sc. Home Science is only for girls".

#### Certificate Course in Public Health Nutrition (SFS)

**Total Seats: 20**

#### Under Centre for Nutrition Sciences

##### Overview

Public health nutrition is on the application of Public Health Nutrition Sciences for formulating strategies and actions for preventing and solving the serious problem of malnutrition in our country. This course provides an integrated program covering dietary, epidemiological, public health, program planning, implementation, communication, monitoring and evaluation.

##### Objectives

This course will enable the students to:

1. Gain insight into national nutritional problems, and national and international contribution towards nutrition improvement in India.
2. Development of skills in organizing and evaluating nutrition projects in the community.
3. To be familiar with various approaches to public health nutrition programs and policies.

##### Course design

This six-month certificate course focuses on the fundamentals of food science and nutrition, epidemiological methods of research, and community nutrition. The course will be delivered through multi-media, interactive sessions, field visits, and guest lectures.

##### Eligibility criteria

Minimum qualification B.Sc. (Home Science) or M.Sc. (Home Science) of any stream from any recognized university, with a minimum of 50% of aggregate marks. Admission will be given purely on a Merit basis. The best of the percentage obtained at the last qualifying exam will be considered for admission.

## Department of Mathematics

### About the Department

The University Department of Mathematics was established in 1960 in pursuance of the general policy of the university of Rajasthan to expand facilities for post-graduate and research studies by starting new department specially in the faculty of science at Maharaja's College. The Department got its permanent abode at the second floor of the **Vigyan Bhawan** in the University Campus in 1964. M.A./M.Sc. and Pre-Ph.D. classes are held in the Department of Mathematics and the under - graduate B.A./B.Sc. classes are being run in the three University Constituent Colleges of the University, namely Maharaja College, Maharani College and Rajasthan College. A good number of students of the Mathematics department have made a mark in different walks of life. e.g. Research, Teaching, Civil Services Defense, MNC's etc.

### Infrastructural Facilities

The Department has five classrooms and one seminar hall with ICT facility. The Department has its own Library with quality reference books for teachers. Besides this, every year the Library receives some books from NBHM under the complementary book distribution scheme.

The Department has received UGC DRS I&II under SAP and DST sponsored FIST programme. Through these programs two research computer labs were established in the department with high speed internet support. In addition to this, a Computer Lab for PG students has been arranged in the department through RUSA programme.

### Master's Programme

Master of Arts/ Master of Science

(Mathematics) (Semester Scheme)

Admission Procedure: Through Entrance Test (URATPG)

Reservation: As per University rules.

Seats: 90. Duration: Four Semesters (Two years)

## Department of Physics

### About the Department

Department of Physics was established in the year 1960. The Department was given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20). The Department offers M.Sc. (Physics) four semester program and Ph.D. program indifferent experimental and theoretical fields. The Department has received support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in RUSA programme supported by MHRD to university, PURSE support granted by DST to the university and UPE status granted by UGC to the university. Under RUSA 2.0 programme, the Department has received a grant of Rs. 8.45 Crores in year 2020 which is being used for procuring major equipment like X-ray photoemission (XPS) machine, solar simulator, glove box, work stations etc. in the Department. In addition, research groups of the Department have received financial support from several funding agencies like UGC, DEIT, DST, BRNS, DRDO, CSIR, MNES, UGC DAE CSR, IUAC and ISRO

Graduates from our department have been selected in past in prestigious scientific institutes including IPR, IUAC, BARC, NPL, TIFR, IISc, IISERs for pursuing research. Several students qualify in examinations like NET and GATE every year.

**Other Highlights**

Department organized a National Conference in the area of Material Science and Technology during 2019-20. An Alumni Meet was organized by the Department in April 2023, in which nearly 300 alumni from all over the country had participated. Eminent education a lists from prestigious organizations, industrialists, administrators, army men from all over the country came to our department which was very much beneficial to the students and faculty. Several of our faculty members have memberships of different prestigious organizations. They are also attending international and national conferences and delivering invited talks in these conferences.

## Department of Psychology

### About the Department

The Department of Psychology was established in the Year 1971. The Department is well known for its excellence in academic and research programs in various areas of Psychology. Activities of the Department have reflected a marked growth over the last few decades.

The Department has been updating curriculum that allows students to pursue the extensive breadth of psychology in terms of behavioural phenomena studied, the variety of methods and theoretical approaches employed. The curriculum also provides excellent opportunities for research experience in the form of practicum and by participation in a wide variety of research projects. Throughout the curriculum, the Department emphasizes empirical basis of interventions and assessment methods for an all-round development of the students.

Also the Department is devoted to train students to advance theory and create knowledge that helps to address the real world problems. The Department provides an internship program to bridge academic learning of theory with community application of knowledge.

Beyond the academics the Department also conducts seminars, workshops, academic field tours and talks with eminent personalities. The main objective of organizing different activities is to promote and develop the scientific outlook and professionalism in the discipline of psychology and more importantly to exchange views, experiences and mutual consultation amongst all stakeholders.

One of the most important feature of the Department is community services through its Psychological Counselling Cell. The counselling services aim at helping students reach personal, learning and career concerns and promote success and wellness. The Cell offers free counselling to students and employees of University departments as well as of constituent colleges. The Cell is well equipped with relaxation room and psychometric testing laboratory.

## Department of Statistics

### About the Department

The University Department of Statistics was established in 1962. Department has been shifted in the new premises i.e. Vigyan Bhawan (IInd floor). The Department is engaged in teaching U.G., P.G., M. Phil. classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and licensed statistical software like SPSS, MINITAB and STATA. Some freeware software are available in Computer Lab.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme in 2015. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

### Infrastructural Facilities

1. More than 1000 books of National & International publications in the Departmental Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one large Computer Lab, Office rooms, Library-cum-Common room for students, Staffrooms.
3. 42 PC's & 2 Laptops (with pre installed OS), Audio/Visual facilities.
4. Following Software are available :

1. The subject has application in many fields such as Actuarial, Agriculture, Business, Management, Pharmaceutical & Medical sectors etc.
2. Governments jobs like Indian Statistical Services (ISS), Research officer in RBI & other UPSC, SSC, GIC, RPSC & Bank jobs.
3. National / International Research projects as Statistician/Statistical consultant after getting knowledge of Statistical Software.
4. Faculty members in different institutions.
5. More than 50 students selected in UPSC, ISS, DRDO exams during 2009 -2020.
6. During 2015-2020 more than 90 students have been selected in various students like ISSE of UPSC, Research Officer in RBI, Statistical Officer in PNB, RPSC, Investigators in UPSC, Manager in GIC, Research Assistants in Planning Commission. In addition to this students of the department have been selected in various jobs in Pharmaceutical Industries and other Private Ltds., as Statisticians, Data Analytics, and Research Officers etc.

### Future Plans:

1. Effort will be made for "Statistical Consultancy Cell" & Campus placement.
2. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.
3. Organizing National/International Conferences/Seminars/Symposia/Workshops in the various dimensions of Statistics for sustainable growth.

## Department of Zoology

### About the Department

The Department was established in the year 1960 at the Jaswant College, Jodhpur. In 1963 it was shifted to the Vigyan Bhawan of the University of Rajasthan and finally to its newly constructed present building in October 1966.

Since, its inception the Department had received generous financial support from various International & National funding agencies like Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA) United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST-FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) twice in Zoology in the year 2005 & 2012. The Department has completed CAS (Phase II) under UGC support and FIST program (Phase II) under DST support. Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research Scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Environmental Biology & Toxicology, Entomology, Microbiology and Developmental Biology. The faculty have been awarded several prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by Eminent Scientist in the different areas. The Department celebrated its Golden Jubilee in the year 2010. Alumni Meet were held in the year 2018 & 2023 with good participation from the alumni.

The Alumni hold various important positions in teaching, research and administrative services in India and abroad.

### Infrastructural Facilities

The Department has a whole range of sophisticated instruments to facilitate quality research. A Central Instruments Facility is available for the use by all research scholars. The Department has procured sophisticated instruments viz; includes RT-PCR, HPLC, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Micro-Centrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge, CO<sub>2</sub> Incubator, Blood Analyzer, Chemiluminescent Analyzer, 2 D Electrophoresis system, UV Transilluminator, Lyophiliser, Gel Doc System, Horizontal Gel

In addition, it has developed recently Tissue Culture Laboratory. The Department has 18 different laboratories where basic and applied researches are being conducted. Study of various herbs for the evaluation of anti oxidants, anti cancer, and radiation anti-fertility, anti-diabetic and anti-atherosclerotic properties, toxicity of environmental pollutants and bioremediation are being carried out.

Adjacent to the main building of the Department, the Animal House is there for the experimental animals facility which has been approved by CPCSEA. (The department has an Animal Tissue Culture Laboratory.)

There is Central Computer Facility with internet connectivity for the PG students, smart classroom, well maintained museum, L.S. Ramaswami Seminar Hall with the capacity of 200 persons and a rich library with a large collection of reference books, text books and journals.

Besides teaching and research the department enthusiastically organizes many extracurricular activities for the holistic development of the students.

## Centre for Computer Science & Information Technology

### About the Centre

The Centre has established in the year 1986, offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three years MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two years M.Sc. (IT) course. The Centre is renamed University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 2 years (4 semesters) MCA and 2 years (Four Semesters) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status as one of the most exciting and innovative Centre in the field of Computer Science and Information Technology in the state of Rajasthan. The students of the Centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government Sectors, Research, Teaching, Civil Services, Defense, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

### 1. Infrastructural Facilities

The Students have access to excellent infrastructural facilities. These facilities are augmented by the addition of hardware/ software, library and space facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest

technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

### (i) Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

### (ii) Computer Labs

The computer labs are well equipped with multiple number of computers, servers, printers & other peripheral devices which are well connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, R, Python, Cloud Computing, Data Science Analytics, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Duo, 30 Pentium computers & 2 Servers have been established in the Centre to fulfill requirement of the

courses to support latest technology and environment.

### (iii) Library

The students have access to an in house library, which has more than 11565 books related to Computer Applications and Information Technology. The Centre's Library is computerized and transactions of books through computer. In addition, the students have access to On-line resources, News papers, Magazines & Journals.

## 2. Masters' Programme

The Centre is running two Years (4- Semesters) MCA and two years(4-Semesters) M.Sc.(IT) Post Graduate Professional degree programmes. These Post Graduate Professional degree programmes are as per recommendations of the Department of Electronics, Government of India and aims to provide the students with necessary computer science and software development expertise so that they can be

absorbed as System Analysts/ Information System Specialists/ Database Administrators/ Data Science Analyst/ IT Experts etc. Admissions in the courses MCA & M.Sc.(IT) are made through URATPG Admission Test conducted by the University of Rajasthan every year.

## Centre for Development of Physics Education

### About the Centre

The Centre for Development of Physics Education was established in the year 1978 by University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the CDPE are:

- (i) Development of new Physics experiments and literature for undergraduate and postgraduate students as well as research scholars for Univ. of Rajasthan and other institutes. The Institutes such as IIT Bombay, IIT Jammu, BARC Bombay BITS Pilani, and other prestigious institutes have been using experiments developed at CDPE and representatives from various institutes also get training in CDPE.
- (ii) Design, fabrication and supply of equipment to academic/research institutions on a no-profit and no-loss basis.
- (iii) Providing prompt technical support to the experiments running in different laboratories of the Physics Department of the University of Rajasthan and also providing technical assistance to other institutions under the contact programme. Much of the equipment fabricated in CDPE is a part of the syllabus in undergraduate and post-graduate laboratories in this University as well as in others.
- (iv) Development of teaching aids in the form of Computer and Audio Visual Programmes.
- (v) The Centre has also been regularly supporting the research groups in the Department of Physics for the fabrication of equipment and extending IT expertise for examination reforms and academic development.

The CDPE has developed more than 100 experiments in different areas of physics. This equipment can serve both for demonstration purposes

as well as measurements of physical quantities. These have been supplied to many Universities and Institutions in India and abroad.

The equipment developed in CDPE is also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, the University of Maiduguri, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supporting various research groups in Physics Department for the fabrication of equipment and extending IT expertise for examination reforms and academic development.

The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

### Infrastructural Facilities

The CDPE is equipped with:

- (i) Mechanical Workshop which is equipped with a Lathe Machine and a Milling Machine.
- (ii) Electronic Workshop which is equipped with measuring, testing and assembling equipment for electronic circuits.
- (iii) Computer Lab equipped with five computers with online support.
- (iv) There is a Museum that houses equipment developed by CDPE, which is a major attraction for visitors and students of Physics.

## Centre for Non-Conventional Energy Resources (CNCER)

### About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

### Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV ( $10^{-9}$ Torr) E-gun evaporation technique
2. HV ( $10^{-6}$ Torr) E-gun evaporation technique
3. HV ( $10^{-6}$ Torr) Thermal evaporation technique
4. High Energy Ball Milling for nanomaterials
5. Glove Box (Homemade)
6. Furnace (Temperature upto  $\sim 1000^{\circ}\text{C}$ )
7. UV-Vis Spectro-photometer
8. Dynamic type P-C-T setup (Homemade)
9. Thin film Hydrogenation Setup
10. Keithley Electrometer for electronic properties.

## Department of Public Administration

### About the Department

Public Administration as a discipline began its journey in association with Economics at the University of Rajasthan in the year 1957 as Department of Economics and Public Administration. In 1965, an independent Department of Public Administration was established by carving out from the economics discipline in the school of social sciences. Since its inception, the Department in the University of Rajasthan has significant faculty strength, good infrastructure facilities and rich in academic potential, The Department was sanctioned Special Assistance Programme (SAP) by University Grants Commission in 2008.

Significant academic contribution by our faculty has brought rewards in achieving Fulbright, Indo-Canada Shastri and Commonwealth Fellowships. It is a matter of pride that the faculty of the department was awarded a patent for the concept of Governometrics.

Commemorating the Golden Jubilee year of its establishment during academic session 2015-16, the department organized lecture series delivered by distinguished academicians, scholars and administrators. During this session, a syllabi review workshop was conducted to review the curriculum. Notable academic scholars attended and added valuable inputs to our educational programme. Golden Jubilee year took initiative to inculcate competitive spirit among the students by conducting debates on socially relevant topics, essay competition and extra-curricular activities. The department also hosted two International seminars in the year 2017 and 2018 attended by scholars from within and abroad. In the beginning of the year 2022 the department successfully organised a Grand National Seminar on the theme "Public Policy, Politics and Governance in India in the Post Pandemic Era" attended by scholars, intellectuals, politicians and Administrators.

Several of our students attained dizzy heights by becoming academicians, administrators and researchers, bringing laurels to the department. A few of them were associated to build their career in politics investing faith in democratic mechanism. The Department is running M.A., Ph.D. Programmes.

## **Centre for Gandhian Studies**

#### **About the Centre**

The **Centre for Gandhian Studies** is an institution where various Academic Researches, Social Services and Collaborative Activities are performed. Formerly it was known as Gandhi Bhawan that established long back in 1965.

In 1985, the Academic Council of University of Rajasthan raised the status of the Gandhi Bhawan and transformed it into the 'Centre for Gandhian Studies' and also approved an M. Phil. Programme in Gandhian Studies that further led to Doctoral and Post-Doctoral Degrees. The academic programme of the Centre for Gandhian Studies is supported and adopted by other subjects of Social Sciences that have provisions of papers/ topics based on the themes of our programme at their Under Graduate and Post Graduate level.

#### **The Centre for Gandhian Studies mainly focuses on:**

- (i) The Study of Gandhi, Gandhian Literature and other relevant Gandhian thinkers with their theoretical as well as practical aspects.
- (ii) Understanding peaceful methods and techniques of conflict-resolution.
- (iii) Formulating Gandhian principles at local, national, and international levels.
- (iv) Determining appropriate and intermediate technologies for developing societies.
- (v) Experiments of Gandhian techniques applied in India as well as various other parts of the world.
- (vi) Organizing Conferences and Symposia, Providing Library Visits, Publishing surveys based on Gandhian Constructive Programmes and other organizations.
- (vii) Operating an academic link between University Fraternity (teachers and students) and other Gandhian Organizations, Government and people supporting Gandhian Perspectives.

#### **Structure:**

The Centre is situated in the midst of the University Campus. It started with two small rooms in 1965, but now possesses one big Class Room, one Director's Chamber, one Office-cum-Library, one Prayer Hall, and a beautifully cultivated Lawn. Its calm and serene atmosphere is quite congenial for study, academic discussion and analysis that propagates Gandhi & Gandhian ideas.

The library has about 4000 books, some records of speeches of Mahatma Gandhi, Several Reports and many M. Phil. Dissertations submitted by the scholars.

#### **Director**

Sharma, Rajesh Kumar

Prof. V.R. Mehta, eminent political theorist and former Vice-Chancellor, Delhi University was the founder Director of the Centre. In later years, the Centre received the leadership of so many eminent Gandhian Scholars like Prof. D.B. Mathur, Prof. S.L. Verma, Prof. N.K. ## Centre for Museology and Conservation

### About the Centre

Centre for Museology & Conservation, University of Rajasthan, Jaipur (CMC-UOR) was established in July, 2006 with a view to promote studies on museology and generate awareness about the conservation of museum objects. Museology as a discipline explores the history of museums and their role in society, as well as the activities they engage in, including curating, preservation, public programming, and education.

New perspectives of museology are emerging as a way to revitalise the educational role of museums. The inherent trend of New Museology is that it involves some form of radical reassessment of the roles of museums within society. A discourse of critical museology also emerged, intensifying around the turn of the 21st century. Critical museology extend its fold beyond the traditional museum to include cultural centres, heritage sites, memorials, art galleries, etc. In the context of India and other colonial countries, critical museology also attempts to address the problematic colonial pasts of museums through the decolonization and indigenization of museums.

The latest movements in museology tend to focus on museums being interdisciplinary, multi-vocal, accessible, and open to criticism. While these critical discourses dominate contemporary museology, there are many different kinds of museums that exist today, some of which are engaged in new and innovative practices, and others that are more traditional and less critical.

Centre for Museology & Conservation, University of Rajasthan, Jaipur runs an innovatively designed post-graduate course - M.A. in Museology and Conservation, a four semester course with a duration of two years. The centre is first of its kind in Rajasthan to have a conservation laboratory of its own. The centre has witnessed a remarkable growth during the last decade. It has organised a series of lectures, workshops, and seminars by inviting renowned experts from India and abroad. **INTRODUCTION**

Recognised by the Bar Council of India, the University Law College is a constituent college of the University of Rajasthan and one of the oldest law- schools in India imparting legal education. The Law College, as it was originally called, was established in Jaipur by the government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time principal, one Reader, three Part-time teachers, In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate Vidhi Bhawan was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, On Friday, 22<sup>nd</sup> December 1972. Teaching began in this building from the session 1975-76. During the session 1993-94, the College was declared by the UGC as a Constituent College of the University of Rajasthan, Jaipur.

## INTRODUCTION

University Maharaja College, one of the oldest and most reputed colleges of India, was established in the year 1844 by Sawai Ram Singh as Maharaja's School, at that time located at Manak Chowk close to Hawamahal with about 40 students to impart education mainly in Hindi, Persian, English, Sanskrit and Urdu. In 1873, the College was upgraded to intermediate level and got affiliated to Calcutta University. Later in 1890, it was affiliated to Allahabad University for Bachelor of Arts (B.A.) degree and subsequently raised to post graduate status in 1896. In 1897, Bachelor of Science (B.Sc.) all major subjects and M.A. in English were also introduced. History, Philosophy and Mathematics were introduced at Post Graduate level in 1927. In 1933 The College was shifted to the present building which was constructed at a cost of Rs. 8.5 Lakhs at that time. Commerce was introduced in the curriculum in 1940 and Faculty of Law was set up in 1947. Before the establishment of University Maharani College in 1944, the college was imparting education to both boys and girls. The College became a constituent college of the University of Rajasthan in 1962 and since then it is offering undergraduate science courses to boys.

The College was granted status of "College with Potential for Excellence (CPE)" by the UGC in 2011 and the status of "Star College" by the Department of Biotechnology, Govt. of India in the year 2016. The College campus has a total land area of 19.47 acres with built-in area of 1,20,000 square feet. The college has Heritage building with huge lush green sports ground. The IT building spread over 5000 square feet area has also been constructed in the college premises. College has well equipped modern science and computer labs with total area of nearly 65,000 square feet. Many of these labs have been recently renovated under RUSA program.

Apart from imparting education in B.Sc. Pass and Honours courses, the college also offers self-finance BCA course. More than 3000 students are getting education in this college. The College campus has its own boys hostel with a capacity of nearly 200 students. College library houses more than 1 lakh books and magazines. The books have been updated on digital library automation software IMS and the students are able to get the books issued through online registered accounts. Sports facilities available in college include three Volleyball courts, two Tennis Courts, two Basketball Court, play ground for football, Handball, Cricket, Kabaddi etc. Gymnasium and facilities for indoor sports are also available in the college for students. Sport ground of college has witnessed several Ranji Trophy Cricket matches in past.

All-round development of students is ensured by organizing talks of eminent Guest Speakers, seminars, Career counseling sessions, poster making competitions,

## UNIVERSITY HOSTELS

The University and its constituents colleges have well facilitated hostel accommodation for the students. Hostels are earmarked for particular courses/streams. At present University is running 19 Hostels, out of which 14 are in the main campus and remaining are situated in the constituents colleges.

Every hostel has its own unique tradition and culture. Hostel life is a union of diverse cultures and different upbringings which blends into harmony for a rich and memorable experience. We not only take efforts to provide the neat and clean environment and a comfortable place to live in but encourage them to live in discipline. We understand discipline is the key to success and career building. Youth Festival is organised in each hostel every year. This festival leaves memorable imprints on hostel inmates. Inter hostel Youth Festival "Basant" is also organised to provide competitive platform for the manifestation of cultural talents of the hostel inmates.

**Note** Students who are admitted in the University departments and colleges will be eligible for admission to the University hostels. If any student fails in the main examination or do not appear in examination/compartment/back/due, even in compulsory subject, he/she will not be eligible for admission/readmission in the hostel. Admission forms for hostels will be filled up online and hard copy of these forms duly signed by HOD/Principal are to be deposited at Chief Wardens Office and respective colleges. Students who are taking admission in SFS courses would be considered for hostel admission if the seats are vacant in the respective hostels.

Admission to these hostels is subject to applicants standing in the merit list and availability of seats.

## RAJASTHAN UNIVERSITY NETWORK (RUN)

### INFONET CENTRE

The Infonet Centre is a technical support centre that coordinates all activities about the Infonet project at the University of Rajasthan. The centre is responsible for maintaining access to e-journals and maintaining the university's websites, mail server, result server, and research server. The Infonet Centre also manages the hosting of e-content on the University Server and promotes e-content development.

The University of Rajasthan subscribes to the philosophy of the Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications.

### RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The Cisco core switch is located in the Infonet Center. The Cisco Zonal switch is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University's main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switches are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

Gupta, Shailendra Kumar

#### Dy. Director

Gupta, Manisha  
Meena, Dalpat

### NATIONAL KNOWLEDGE NETWORK

The NKN comprises an ultra-high-speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education, Science & Technology, Grid Computing, Bioinformatics, Agriculture, and Governance will be an integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the verycore of the country's quest to build quality

institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations. The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Institute of Mathematical Sciences and other premier institutions.

Access to any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. The university is complying with the IP Usage policy, Operations Policy and Security Policy of NKN. The purpose for usage of the NKN network- (a) higher knowledge/advanced studies (b) regular studies (c) research development.

The average usage level in a month and a year in terms of Gbps/Mbps is 50 Gbps and 1000 Mbps. The NKN connectivity is available on a 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable

## UNIVERSITY WEB SERVER

One of the core features of Infonet Centre's services is that all of its websites are SSL and TLS enabled. SSL stands for Secure Sockets Layer, while TLS stands for Transport Layer Security. Both protocols are used to encrypt data that is transmitted over the internet, providing an extra layer of security against hackers and other cyber threats. SSL and TLS are widely used across the internet, and they have become the de facto standard for securing web traffic. Infonet Centre's SSL and TLS-enabled websites ensure that all data transmitted between the user and the server is encrypted, providing a secure connection that is resistant to eavesdropping and tampering. University provides many online services. The URL of University services are:-

1. Main Web Server <https://www.uniraj.ac.in>
2. Mail & Personal Information Management Server <https://daak.uniraj.ac.in>
3. Mail Server (For Research Scholar) <https://daak.uniraj.res.in>
4. Research Server <https://www.uniraj.res.in>
5. Result Server <https://result.uniraj.ac.in>
6. Admission Server <https://admission.uniraj.edu.in>

## UNIVERSITY MAIN WEBSITE (<https://www.uniraj.ac.in>)

- Almost all syllabi are available through the link Syllabi
- University prospectus and information about the University, Jaipur and Rajasthan are available at a click.
- Several university circulars, advertisements, and tender notices are made available through respective pages on the Administration tab.
- Students can access information relevant to them through the "Current Students" tab available on the main page.
- Each PG Department has its page.
- Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available.
- The examination timetable would also be made available on the university website.
- E-journal access is made easy through the e-journal access page.
- The main page also provides a link to other servers viz. daak server, result server and research server.
- Students may ask the faculty members about online resources provided by them on the University website.
- The University website was also integrated into the integrated portal on the higher education department website of the Rajasthan State.

## UNIVERSITY RESULT SERVER

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on the Centos Linux platform using PHP as the front-end interface and MySQL database at the back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section.

### Note:

1. Please go through the disclaimer before viewing content on University websites. The HoDs, Principal, Director, DR of concerned units are responsible for information on the University website which is technically managed by Infonet Center

No queries regarding examination, Fellowship, results or admission etc shall be entertained at Infonet Centre.

## University Science Instrumentation Centre (USIC)

### About the Centre

University Science and Instrumentation Centre (USIC) has been set up to support instrumentation facility with the following major objective: To house high-end research instruments and provide instrumentation facility on specialized instruments to the internal and external faculty/scholars/students as a central facility for carrying out spectral, thermal, chemical and micro-structural analysis on a variety of materials. The Centre has endowed with advanced instruments as central facility like: SQUID, SEM, TEM etc. catering to the need of University Science Departments for research. Besides the above facilities, mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling are also available to those trained in and can do on their own.

### Instrumentation Facilities

The USIC caters to instrumentation related needs of the Science Departments. For maintenance of equipment, it has electronics, glass blowing, refrigeration section and Mechanical workshops. The available facilities of this centre are being used by faculty members and research scholars of different research institutions.

Centre has the following Major Sophisticated equipments:-

### Director

Dolia, S.N

### Dy. Director

Singh, Mam Raj (Operation)

- Transmission Electron Microscope (TEM)
- Scanning Electron Microscope (SEM)
- GC-MS set-up
- LC-MS set-up
- Superconducting Quantum Interface Device (SQUID)
- Fourier Transform Infrared Spectrophotometer (FTIR)
- UV Spectrophotometer
- Sputtering Machine

The information regarding these facilities is available on [uniraj.ac.in/usic/](http://uniraj.ac.in/usic/). The facility can also be accessed by other academic institution as per UoR rules and details are available on university website

## University Health Centre

The University Campus has dispensary and health set-up of Allopathic, Ayurvedic, Homeopathy, Nearly all the Medicines are provided free of cost Medical health check-up camps, both routine and specialized (B.P. Blood Sugar, Bone Mass Density, Pulmonary Function tests, Diabetes, HbA1c, Uric acid, Thyroid Function, Lipid profile tests, Neuropathy detection etc. are organized from time to time. The Health centre is providing Curative, Comprehensive, Preventive Rehabilitative care services to the students, teachers, employees and their dependents. ## Students Advisory Bureau (SAB)

Students Advisory Bureau was established in the year 1962 to assist students in choosing courses of higher education and career options. Mrs. G.J. Unnithan, a renowned counsellor and eminent women activist had been its founder director. SAB acts as a Nodal Centre for counselling and guidance not only for the students of University of Rajasthan, its constituted and affiliated colleges but also caters the counselling needs of all the adolescents, youth, parents/guardians and general public.

It specifically provides FREE services to the students with (1) regular counselling related to career-decisions, subject-choices, admission process, mental health and psychosocial adjustment issues; (2) psychological testing, assessment and diagnosis; (3) telephonic and face to face resolution of queries pertaining to University related matters.

### Director

Pareek, Sushila

The Bureau maintains a reference library related to varied topics of general knowledge and interest, personal growth and self-excellence. Daily News papers in both English and Hindi languages along with Employment News papers are also made available for all.

The Bureau is situated in the building of Central Library near the main gate of University of Rajasthan Campus. Timings : 10.30 am to 4.30 pm on all working days. Prior appointment is helpful but not necessary. Telephone No. 0141-2710995; E-mail [sab962uor@gmail.com](mailto:sab962uor@gmail.com).

The Bureau remains open during summer and winter holidays.

## UGC-Human Resource Development Centre

The UGC Human Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of University of Rajasthan, Jaipur was established on May 11, 1988 under UGC's scheme for setting up Academic Staff Colleges (ASCs) in suitable universities across India in the wake of National Policy on Education (NPE), 1986. It was ranked as the second best performer amongst 66 HRDCs in India in the year 2012 by the NAAC peer review committee.

The Human Resource Development Centre conducts Faculty Induction Programmes / Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer / Winter Schools / Webinars (on a specific thrust area, open for all teachers). It also has provisions for holding special Programmes like Academic Administrators' Workshops, Principals' Meet, Interaction Programmes for Ph.D. Scholars, Non-Teaching Staff Training Programmes etc.

Since its inception to date, the HRDC has organized 374 Refresher Courses, 113 Orientation Programmes, 28 Short Term Courses, 03 Workshops, 3 Summer Schools, 2 Winter Schools and 03 Webinars. A number of Special Programmes held include a Principal's Meet, an Academic Administrator's Workshop, a Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph. D Scholars. 06 online Faculty Induction Programmes under the newly introduced GURU-DAKSHATA scheme of UGC were successfully completed. 10 Faculty Induction Programmes sponsored under RUSA scheme of Ministry of Education, Government of India too were organised. So far, approximately 22,000 participants have benefitted from the various courses organized under the aegis of HRDC, University of Rajasthan.

### Director

Kateja, Alpana

HRDC is a hub of academic activities of national level. Among the resource persons invited are eminent educationists, academicians, scientists, jurists, artists, literary luminaries, social activists, journalists, critics and area experts of other fields from across India. Besides Rajasthan, the participants hail from all across India including far flung states and Union Territories like Puducherry, Mizoram and Nagaland, Andaman Nicobar, Sikkim etc.

The centre has three well-equipped AC Seminar Halls with Digital Podium, WIFI, High Definition Projector with motorized screen and audio-visual aids. There is a state-of-art Computer Lab with latest version Computers and software. The HRDC computer lab, office and library have internet connectivity and WIFI. The HRDC Library, with computerised catalogue facility, has a rich collection of 5800 books and a range of regularly subscribed newspapers, magazines as well as reputed journals. The HRDC has its own Guest House with well furnished 30 twin-bed occupancy rooms. The Guest House, situated behind the new HRDC building in the University campus near Gandhi circle, has all the basic facilities to make the stay of the participants comfortable. A big dining hall, modern kitchen and reception facilities have also been added recently. There is a common room for recreation of the participants.

The main philosophy of HRDC is holistic development of teachers. The concept of Orientation and Refresher programmes focus on teachers as agents of socio-economic change and national development, underlining the need to make the

teachers skill-oriented. The programmes of HRDC aim to empower teachers to discover their hidden potential, hone their teaching and research skills through a positive and holistic understanding of their role in the social, intellectual and moral universe within which they function. It motivates the teachers not to be confined to the role of transmitting information but also to mentor and orient the students to meet the challenges of life: to become not merely trained professionals, but also responsible citizens with an ethical value system.

From the initial elitist and exclusivist approach, higher education system in India has become progressively inclusive. This places greater responsibility on teachers. Innovations in teaching and educational systems along with developments in Information Technology have made the work of a teacher more challenging. At the same time, a

College/University teacher has to continuously update the chosen field of expertise to avoid becoming outdated and irrelevant. Essential components of the programmes run by HRDC address these issues. Especially designed Orientation Programmes / Refresher Courses in IT and pedagogy are conducted by HRDC at regular intervals. Subject-specific refresher courses are organised to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by the Centre must engender in the teachers awareness of and sensitivity to the problems that Indian society faces. Subject-knowledge and pedagogy would be meaningful when understood within the context of national development in totality.

### College Development Council (CDC)

The CDC was established by the University in the year 1978 under the UGC scheme for ensuring:-

- (i) Proper planning and integrated development of its affiliated and constituent Colleges. (Govt., Non Govt. & Constituent Colleges).
- (ii) Improvement of Standard of Higher Education.
- (iii) Faculty Improvement. To achieve its aims and objects, the CDC on behalf of UGC invites proposals from the Colleges included under sections 2(f) and 12-B of the UGC Act, 1956 on various schemes from time to time and recommends to the UGC for approval. At present 108 Colleges affiliated to University of Rajasthan,

He exists them to prepare their proposals and invites their attention about the various schemes of the UGC. The Coordinator, CDC visits the Colleges from time to time for monitoring the proper Utilization of UGC grants and for proper guidance. The CDC recommends the proposal of the Colleges and Teachers to the UGC as per the guidelines provided on UGC website [www.ugc.ac.in](http://www.ugc.ac.in). The CDC plays an important role between UGC and Colleges for improving infrastructure facilities in the Colleges and for the benefit of faculty members and students in multiple ways.

### Administrative Service Pre-Entry Training Centre

The Centre was set up by the University in 1978 and it has been given the status of an Independent Centre in 1999. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for over four decades on **Self financing basis**.

The Centre is providing coaching for RAS, ICS, RJS, NET/SLET, Bank P.O., Spoken English, School Lecturer Grade-I, Junior Accountant and other competitive examinations. This Centre invites eminent academicians, bureaucrats, and experts in the respective fields, who impart incisive training to the students appearing for various competitive examinations.

The Centre imparts rigorous training for competition examinations. The past performance in terms of selection of the students enrolled in this

Centre has been very good as almost 1/3 of such students have been getting selected in the competitive examinations. The UPSC & RPSC results have rated the University of Rajasthan among top institutions, where from the candidates are selected.

#### Director
