## HEMVATI NANDAN BAHUGUNA (1919-1989)

**H**emvati Nandan Bahuguna was born on 25 April, 1919. He received his early education from Garhwal region and later on shaped his academic and political career from Allahabad University. He served as the ninth Chief Minister of undivided Uttar Pradesh from 1973 to 1975. He also held important ministerial positions in the Government of India. He had voiced his concerns over the neglect of education in the remote hilly areas. Along with the people of this region, he struggled for fulfilling the academic and educational requirements which culminated in the establishment of Garhwal University in 1973, at Srinagar, a central town of the Garhwal Himalayas.

As a mark of respect and tribute to the 'son of the soil', in 1989, Garhwal University was renamed as Hemvati Nandan Bahuguna Garhwal University.

# The University

Hemvati Nandan Bahuguna Garhwal University was established as a State University vide U.P. State Government notification no. (107/865/15/(75) (85y/64 dated 23 November 1973. It has a rare distinction of taking birth through a powerful popular movement during the early seventies in the last century. This movement symbolized the hopes and aspirations of the masses of the Garhwal region for development through the instrument of higher education. The people of this remote mountainous region campaigned for the foundation a University in the small but historic semi-rural town of Srinagar. It was an expression of their quest to empower future generations, overcoming academic, economic and social backwardness, and geographical and environmental constraint, a reassertion of cultural identity and harnessing the local, natural, and human resources for development.

The University has subsequently been converted into a central university by an Act of Parliament, i.e., the Central Universities Act 2009. The University has thus been entrusted with new responsibilities to guide its students, faculty and all other stakeholders to achieve excellence in academics and strives for the all-round development of students. Since its inception, the University has shown commitment to regional and community development inherent in its teaching courses, research agenda and other outreach and extension initiatives. The synergy derived from the circumstances of its genesis still inspires and promotes its vision for the future.

The University, nestled in the lap of Himalayan ranges of the Garhwal region of Uttarakhand, is a residential cum affiliating institution of higher learning. It has jurisdiction over seven districts of the Garhwal region of Uttarakhand.

The University has three campuses distantly located from each other - Birla Campus, Srinagar Garhwal with its Extension at Chauras Campus, B. Gopal Reddy (BGR) Campus, Pauri and Swami Ram Teerth (SRT) Campus Badshahithaul, Tehri. In addition, many colleges and institutes are affiliated with it and spread over different districts of the Garhwal region of Uttarakhand. Undergraduate, Postgraduate and Research programmes are being offered in different disciplines on all three campuses of the University. Besides conventional courses under different streams of studies, the University has introduced some regionally relevant courses that are most important to the mountainous areas.

To help the interested students' abilities, we conduct a variety of events, seminars, and workshops within this framework. We often invite professionals from various fields to interact with the students and share their expertise and experiences in order to help the students better comprehend the concept. This allows for an outstanding combination of theory and practice. We make every effort to provide multiple opportunities for co-curricular and extracurricular activities for the overall development of the individual.

The core objective of the Dean of Students Welfare (DSW) is to guarantee that all students have a comfortable learning environment by giving them the required advice, offering appropriate counselling, and resolving their issues within the DSW framework. All students have access to DSW as one avenue through which they can embark on a productive journey, engage impressionable minds, and arouse their curiosity, passion, and desire for learning in order to become versatile individuals who are responsible members of society.

We have changed and implemented our entire curriculum according to the new National Education Policy 2020. Admissions in classes are being done completely through Common University Entrance Test. Keeping in view the local conditions and requirements, programs related to skill development have been made a part of the curriculum. Care has also been taken to ensure that the students have a close connection with their environment and society.

I extend an invitation to all students to participate in our endeavours as a part of DSW since they demonstrate the development of new abilities, aptitudes, talents, and, most importantly, a positive attitude that improves each student's capacity to put what they have learned to use in a variety of contexts. I want you to have the finest learning experience possible thanks to the supportive and encouraging atmosphere that our university provides.

**Best Wishes**
