24. Clarification regarding 4 Years Integrated B.A.Ed. & B.Sc. B.Ed. students applying for M.A. in Education or other eligible subjects in CPET

 - b) Therefore, such students can apply for M.A. /M.Sc. in their core subjects (M.Sc. in Physics/ Mathematics/ History.....), provided they have core papers in these subjects at 4 Years Integrated B.A. / B.Sc. B.Ed. level. They can do so by incorporating their 03 Years (Degree Component) total marks/SGPA/CGPA only as career mark (From Semester I to I).
 - c) If 4 Years Integrated B.A. /B.Sc. B.Ed. students want to apply for M.A. in Education, then their CAF will be rejected. They can apply only for M.Ed. (not covered under CPET).
 - d) Only students having Education as Core Subject at Degree level are eligible for M.A. in Education.

7. Principles for preparation of Subject-wise State-wide provisional rank and provisional allotment list:

7.1 Preparation of subject-wise state-wide provisional rank

- 7.1.1 The subject wise minimum eligibility for the CPET-2022. Please click on the link (<https://pg.samsodisha.gov.in/Eligibility.aspx>) to get the list. Those who have appeared in the Final Year/Semester Degree Examination-2022 can also apply and appear in the entrance test. However, they must upload their marks by logging into the SAMS Student Portal prior to fixed dateline given in the advertisement. Failing in submission of final degree results before declaration of provisional rank will debar them from being part of the merit list.
- 7.1.2 The CPET-2022 subject-wise state-wide provisional rank will be prepared by combining the career marks (30% of the total) and marks secured in the entrance examination (70% of the total) by an applicant.
- 7.1.3 Career mark shall be calculated from a total of 30 marks out of which 5 marks will be for 10th Examination, 10 marks will be reserved for Higher Secondary (+2) Examinations and 15 marks are reserved for performance in the +3 results. The applicants are requested to indicate either the **Marks** or the **CGPA** as reflected in their mark sheet. The marks awarded for career will be as follows:
- 7.1.4 The applicants, those have passed UG in 2018-19 and afterwards on CBCS system are requested to indicate their marks in CGPA only. Their marks in percentage will not be taken into consideration while calculating their weightage
 - 7.1.4.1 Percentage of marks expressed as a fraction of 100 or CGPA expressed as a fraction of 9.5 multiplied by 5 in 10th examination, and multiplied by 10 in +2 examinations. (For example, a person having 40% in both 10th & +2 will get 2 marks for 10th and 4 marks for +2 examinations,

whereas a candidate with 4 CGPA in both 10th and +2 will secure 2.105 for 10th and 4.21 for +2 results.) If the applicant applies for the subject at P.G. level, which s/he had taken as Core/ Honours at U.G. Level, then s/he will get 04 marks. For Distinction, 01 mark will be awarded. Rest 10 marks will be on the basis of marks/CGPA following the same formula as +2.

7.1.4.2 A student with Elective Papers which carries at least 24 credits at U.G. Level may also apply for that subject at PG Level. But, s/he will not get 04 marks like Core/Honours subject.

How to calculate the career marks from a total of 30 marks:

10th Examination = 05

+2 Examination = 10

+3 Examination = 15 (Core/Honors=04, Distinction =01 and Total marks of UG=10)

A. Conversion of Percentage to weightage (career marks) in case of Non-CBCS students:

Examination	% of Marks secured	How to Calculate the weightage (career marks)
10 th	70%	70/100×05=3.50 (out of 05)
12 th	82%	82/100×10=8.2 (out of 10)
UG (Total marks= Honors + Pass+ Compulsory paper) (* If CGPA is not given)	76%	76/100×10=7.6 out of 10 marks; If doing PG on Honors subject, then + 4 marks & if having Distinction + 1 mark= 12.6 out of total 15 marks

B. Conversion of CGPA to weightage(career Marks) In case of CBCS Students

Examination	CGPA secured (on 10.0 point Scale)	How to Calculate the weightage (career Marks)
10 th	7.0	7.0/9.5×5= 3.68 (Out of 05)
12 th	6.0	6.0/9.5×10=6.32 (Out of 10)
UG (Total Marks= Core+DSC+GE+AECC+SEC)	8.0	8.0/9.5×10=8.42 out of 10 marks; If doing PG on Honors subject, then + 4 marks & if having Distinction + 1 mark = 13.42 out of total 15 marks

C. Computation of marks in case of students passing from ICSE, CBSE & Other Boards:

$$\text{Equivalent Marks} = \frac{x}{y} \times 600$$

Where, X = Total Marks Secured (There will be no selection of best 4 or best 5)

Y= Total full mark (if 4 subjects then Y=400, if 5 subjects=500 or Y may be 800/1000 as of other Boards)

7.1.5 The entrance examination will consist of multiple-choice type questions with 1 mark for correct answer and zero for a wrong answer (no negative marking). The answers will have to be marked on OMR sheets as per instructions given in the sheet. Each paper will be of 90-minute duration with 70 multiple choice questions. The question will consist of 40 questions from Honours /Core papers and 30 questions from the same subject's generic elective papers as per the OLD CBCS UG syllabus (2016-2019). In multi-disciplinary subjects where one dedicated Undergraduate course is not available, the questions will be from the UG curricula relevant to the subject applied for, with distribution of questions decided by relative importance of each.

7.1.6 As the COVID-19 infection level continues to be still alarming in various regions of the state and the country, there might be a situation where it may not be possible to conduct the PG entrance examination. In such an eventuality, the career mark will be the deciding factor for drawing up the merit list. In such a case, the relative weightages shall be assigned to 10th board, +2 and +3 marks in the ratio of 30:30:40 respectively.

7.2 Preparation of provisional allotment list:

- ❖ Provisional allotment will be prepared through centralized selection process on the basis of the subject-wise, state-wide provisional rank, choice of preferences as provided by the candidate, reservation and weightage details provided in the CAF.
- ❖ Allotment will be done for the best fit preference for a particular PG Admission Subject. If applicant opted for more than one PG admission subject, then allotment will be issued for each admission subject.
- ❖ In case of identical in (entrance+ career), entrance mark will be taken for deciding merit. If entrance marks are also identical then career mark in graduation examination (+3) and then +2 marks will be considered for deciding rank respectively. In case, of +2 career mark being identical, then matriculation mark will be taken into consideration. If all these parameters are same, then the applicant born earlier will get the higher rank.
- ❖ Reservation policy of Government of Odisha will be strictly followed in preparing the provisional allotment list.
- ❖ Persons with Disabilities selected on their merit without relaxed standards, along with other candidates shall not be adjusted against the reserved share of vacancies. The reserve vacancies shall be filled up separately from amongst the eligible candidates with disabilities, which will thus comprise persons with disabilities who are lower in merit than the last candidate in general merit list but otherwise found suitable as an applicant, if necessary, by relaxed standard available for persons with disabilities. Same procedure is also followed in case of the SC and ST candidates.

8. Payment of Admission Fees:

Unlike previous years, admission fees for admission into P.G. courses will not be collected from students through SAMS Portal during the e-Admission period. Only after completion of e-admission process/period, students will be required to deposit admission fees in the HEIs where they will finally take admission, within a cut-off date to be notified by Department of Higher Education Department. **The non-payment of admission fees within the cut-off date will lead to cancellation of admission.** The details regarding course-wise admission fees (Regular/ Self Financing Courses) will be available in the respective Higher Education Institutions' websites.

9. Admission Procedure:

- ❖ Applicant has to produce all original documents for verification only at the Destination College/University. No original is to be deposited with College/University authority except CLC. Original Migration Certificate is to be deposited only at the last Institution (Refer HE Dept. Letter No. 12991, dated 16/03/21).
- ❖ S/he has to submit three colour passport size photographs at the time of admission.

Clarification on the certificates of Sportsperson for admission into HEIs

**GOVERNMENT OF ODISHA
DEPARTMENT OF HIGHER EDUCATION**

RESOLUTION

Bhubaneswar, Dated the *20th* May, 2016

No.HE-FE-I(A)-MISC-0008/2016 *12007* /HE. The college students those who represent their Universities in different sports events in All India/ Zonal/ Inter University competitions organized by Association of Indian Universities are entitled to get extra weightage for their sports achievement at the time of admission into educational/ technical institutions. The guidelines for grant of weightage to such sports persons for admission have already been outlined in Sports & Youth Services Department Resolution No 2859/SYS, dated 21.11.2003. In the existing practice such students are approaching the Director, Sports & Youth Services, Odisha to countersign the certificates. The Director, Sports & Youth Services, however, in absence of necessary information relating to participation in such events faces difficulties in countersigning the certificates and as a result concerned students suffer in running from pillar to post to get their certificates countersigned.

In order to remove such difficulties, Government after careful consideration have been pleased to declare the Director/ Secretary of the University Sports Council of the respective Universities of Odisha notified in terms section 3 of the Orissa University Act, 1989 as competent authority to countersign the Zonal/ All India/ Inter University sports competition certificates issued by the Association of Indian Universities.

ORDER: Ordered that the Resolution be published in an extra ordinary issue of Odisha Gazette for general information and copy thereof be forwarded to all concerned.

Sub: Countersigning of certificates of Sportspersons for admission into Educational Institutions.

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to intimate you that Educational Institutions such as KVS, DAV, CBSE /ICSE Schools etc. send their sports teams to the National School Games (Conducted by SGFI) directly without routing through the State Schools Sports Association. Therefore, Sports & Youth Services Department, Govt. of Odisha, after careful consideration, in its Letter No : 2390/S&YS/dt.29-02-2016, has clarified that in such cases, suitable Officers of Regional/State Office of such Educational Boards may be the competent authority to countersign the certificates. (Director/Secretary of S&YS Dept. or Director of Secondary Education are not the countersigning authorities in this case.)

Therefore, in such cases, you are requested to accept the sports certificates (certificates issued by SGFI for National School Games), countersigned by any designated officer of the Regional/State Office of the Board concerned (For Example : for KVS, Deputy Commissioner or any designated officer of KVS, Bhubaneswar Region, Odisha), and allow the students to avail the weightage as mentioned in Common Prospectus 2019.

Certificates not issued by SGFI and/or certificates not pertaining to National School Games are not eligible for any weightage, even though counter-signed by designated authority of these Boards.

This is treated as "Most Urgent"

Yours faithfully,
