

Placement Report - Year 2022

Placement Report 2021-2022

FLAME University's Career Services Office (CSO) strives to facilitate students in finding organizations that fit their skill set. We help students define their career goals and try to fulfill their ambitions by providing them with the best available employment resources. Tools such as resume writing, interviewing workshops, career fairs, career counseling, and presentations are used extensively.

We are excited to release our Interim Placement Report for 2021-2022, which details our efforts towards guiding the career paths of our students. Our globally-developed curriculum, case studies and real life projects, group discussions, debates, interactions with leaders of industry and alumni, all go a long way in helping our students prepare for their placements.

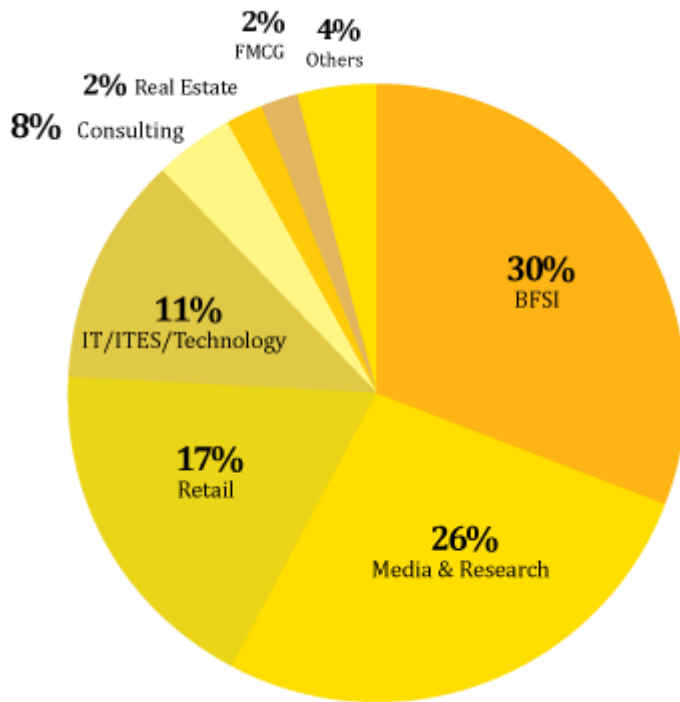

Economic conditions in India and worldwide have started to improve, but continue to remain challenging. Even in such a challenging environment, our recruiters continue to have faith in our curriculum, our faculty and our selection process, which attracts the best minds to FLAME. We sincerely thank them for their continued support.

We are proud to announce that 100% of our MBA and MBA (Communications Management) graduating class of 2022 has been placed across companies, sectors and industries, much before program completion. 80 companies have participated in our placement process till now. Companies recruited our students across verticals and offered roles in the areas of equity research, analytics, social media analytics, copywriting, client servicing, marketing, branding, relationship management, business analysis, banking, consultancy, retail operations, organizational development, human resources, industrial relations, e-commerce, project management, creatives, etc. Below you will find the placement statistics for 2021-2022.
