Question:	<p>The non-aligned countries were more than merely mediators during the Cold War. The challenge for most of the non-aligned countries - a majority of them were categorised as the Least Developed Countries (LDCs) - was to be more developed economically and to lift their people out of poverty. Economic development was also vital for independence of the new countries. Without sustained development, a country could not be truly free. It would remain dependent on the richer countries including the colonial powers from which political freedom had been achieved</p> <p>Identify the country that was not a member of non-aligned group.</p> <p>(1) Pakistan</p> <p>(2) Sri Lanka</p> <p>(3) India</p> <p>(4) North Korea</p>
