- I have supportive parents who understood that my interest was the environment They have never stopped me from doing what I want. On my part, I also made sure that I did not fail my parents in any way. I always informed them about every thing that I did and took their advice before jumping in to actions. I have teachers who taught me how to go about things. They also taught me humility - so that I did not become snobbish or arrogant and start thinking I was a superstar because I was doing all this environment work. They taught me to be simple and keep learning all the time. I am not an activist, I am an environmentalist. I have learnt so much by doing this work.
 3. How did humility help Arun in his career?
