Or

Write the Physical Growth and development that occur during Adolescent stage.

22. Explain Conceptual and Perceptual Learning.

Or

Write down Law of Exercise of Learning. State its educational implication.

23. Calculate the Quartile Deviation of the following frequency distribution :

C.I.	Frequency
20–24	1
25–29	1

30–34	2
35–39	3
40–44	6
45–49	4
50–54	5
55–59	4
60–64	2

Or

Compute coefficient of correlation by rank order method of the following data :

X	Y
15	40
18	42
22	50
17	45
19	43
20	46
16	41
21	41
