Match List-I with List-II

List-I (Communication method)	List-II (Meaning/purpose)
(A). Farm and home visit	(I). It is an intense educational activity for motivating and mobilising a community at an opportune time for action to solve a problem or satisfy a need urgently felt by it
(B). Result demonstration	(II). It is a face-to-face contact by the extension agent with the farmers at his/her home or farm for a specific purpose related to extension work
(C). Method demonstration	(III). It is carried out by an extension agent to show how to carry out an entirely new practice or an old practice in a better way to a group.
(D). Campaign	(IV). It is conducted by a participating farmer on his/her farm or home under the guidance of an extension worker to prove by the evidence that the practice being demonstrated is superior to the one in existence.

Choose the correct answer from the options given below:

- 1. (A) (II), (B) (IV), (C) (III), (D) (I)
- 2. (A) (III), (B) (II), (C) (IV), (D) (I)
- 3. (A) (II), (B) (III), (C) (IV), (D) (I)
