XI. Read the following passage carefully and answer the questions given below :

1 × 4 = 4 (2 × 2)

43. Our education system should reflect the aims and aspirations of our society. It should adjust itself to the changes in the society we live in. The aim of our education should not only be to bring change in the amount of

knowledge gained, it should also bring changes in our abilities to do, to think and to acquire habits and skills which are accepted in our society.

We should be able to develop an attitude which can make us adjust in our society. If these qualities are not developed in us, our education will remain unrealistic, useless and meaningless.

The world is changing fast. Our quality education should prepare us for these changes. The education imparted to us should be related to the needs of an individual and help him to find a place in the world, help him to ensure his future. It should be flexible. A dynamic association of teachers, educational planners and students is necessary.

Questions :

- a) According to the passage our education remains unrealistic, useless and meaningless. Why ?
- b) How can our education prepare us for the quick changes taking place in the world ?

XII. Write an essay of about 18-20 sentences on any one of the following topics : 1 × 5 = 5
