Section-I (Short Answer Type Questions) (2 Marks Each)

Questions	TS SSC Social Studies Answer Key 2025
1. What are the characteristics that a site should have to become a settlement?	A site with the potential to become a settlement should ideally offer access to resources like water and fertile land, good defense, and a climate that is conducive to human habitation, as well as accessibility and shelter.
2. Why did the Zionist movement emerge?	The Zionist movement, a Jewish nationalist movement, emerged in the late 19th century, primarily as a response to rising antisemitism and the desire for a Jewish homeland in the historical land of Israel, with Theodor Herzl considered the father of modern political Zionism.
3. Suggest measures to prevent corruption.	To combat corruption, implement robust transparency measures, strengthen accountability mechanisms, enhance law enforcement, promote ethical leadership, and empower citizens to participate in oversight.
5 (a). What does the map show?	Area under Japanese control
5 (b). Name the two countries that were out of Japanese control.	India and Australia
6 (a). Which state IMR is the lowest?	Himachal Pradesh
6 (b). Why is literacy rate more in Himachal Pradesh?	Himachal Pradesh boasts a high literacy rate due to strong government initiatives, community support, and a focus on accessible education, particularly in rural and remote areas, leading to a significant increase in school enrollment and improved educational outcomes.
