**1<sup>st</sup> PROVISIONAL SEAT ALLOTMENT**  
**INDUSTRIAL TRAINING INSTITUTE ONLINE ADMISSION 2025-26**

Candidates from Arunachal Pradesh who have applied for online ITI admissions through the newly launched Integrated MIS Portal, developed by the Department of Skill Development and Entrepreneurship, are advised to carefully read through the complete admission process and detailed admission timeline available on the official website.

Candidates who have been allotted a seat in the 1st Provisional Seat Allotment Result should have received an official email from the department. Please check your email inbox (including the spam/junk folder) and follow the instructions provided to proceed with the next steps of the admission process.

Candidates are allowed to freeze their allotted seat and must pay the admission and tuition fees online via the portal within six (6) days from the date of result declaration.

Please note that the current seat allotment is provisional and subject to change based on subsequent rounds of counselling. The final merit list will be published on 22nd August 2025.

Candidates are eligible for seat upgradation based on higher preferences submitted during the application process. However, transfer of seats between ITIs is not permitted under any circumstances. Only automatic upgradation within the submitted preference list is allowed.

A short user guide and the Terms & Conditions related to ITI admissions are provided on pages 29 and 30 of this document to help you understand the actions required.
