SAMPLE QUESTIONS

VERBAL ABILITY/READING COMPREHENSION

Q. 1-3 Directions: The passage below is followed by questions based on its contents. Read the passage, and choose the best answer on the basis of the passage content, stated or implied.

Passage

Adversity like that faced by the Swiss watchmakers has the virtue of starkly limiting the alternatives. A company that decides to expand by acquisition has the wide world of commerce before it, subject only to availability and price. The **plethora** of choices is one explanation of the many poor selections. The best decisions follow when the purpose is most clearly defined. At least the decision maker then knows exactly what he is trying to achieve and why.

The Swiss were trying to achieve survival - an aim so 'transcendent' that the "why" needn't be asked. The only important question was "How," and the only answer (which their Japanese rivals have always chosen as the most rewarding approach) is to probe for weakness of the opposition, and then to kick the Achilles heel with steel-tipped boots. In this instance, the weakness (to which Japanese business is strangely prone) was lack of modern fashion sense. The electronic timepieces were being sold as wrist machinery; that gave Swiss Company its opportunity.

Q.1 In the context of the passage which of the following is closest in meaning to the word "**plethora**" as given in bold.

- | | | |
|------------|--------------------------------------|-------------|
| 1. paucity | 2. Nature | 3. Quantity |
| 4. Excess | 5. Other than those given as options | |

Q.2. Which of the following was true in the case of business difficulties of the Swiss watch makers as per the passage ?

- (1) The Swiss watch maker had virtually no limitation of available choices for taking decision in the instant case of difficulties.
- (2) A large number of available alternatives would have probably made the Swiss Watchmakers' decision making process better.
- (3) The limited number of available choices in the instant situation made the Swiss Watchmakers' decision making process easier.
- (4) The Swiss watch makers lacked clarity about the objective to be achieved.
- (5) Other than those given as options

Q.3. Which of the following holds good in the case of Swiss or Japanese watch making companies ?

- (1) Japanese watch making companies had rewarding experience in regard to wrist watches because of their modern fashion sense.
- (2) In the past, Swiss watch companies were always probing for the weakness of their rival Japanese companies to succeed in competition.
- (3) The Japanese watch companies were having tough time from their strong Swiss rivals.
- (4) The solution to the problem of Swiss Companies was in the weakness of Japanese companies lacking in modern fashion for wrist watches.
- (5) Other than those given as options

Q.4. The following sentence is broken into 4 parts. Find out if any of the part has an error, and the number of that part is your answer. If no part has an error, your answer is 'No error'. (Please, do not look for an error in punctuation).

Dara, being an excellent football player, / received a fabulous offer /

(1)

(2)

to join the popular football club / of the football-fan country, Italy. No error

(3)

(4)

(5)

Q.5-6. Directions: In the questions given below, either a part or the entire sentence is printed in **bold**. The sentence is followed by five ways of writing the **bold** part. Answer choice (1) repeats the original or there is no change; the other answer choices vary. If you think that the original phrasing is the best i.e. no change is required; choose (1) as your answer. If you think that any other answer choice is the best, select that as your answer and indicate it on your answer sheet properly.

Q.5. **After having finished the lecture**, the speaker asked if there were any questions.

- (1) No change
- (2) Finishing the lecture
- (3) Having finished the lecture
- (4) When the lecture finished
- (5) Having been finished the lecture

- (1) No change
- (2) My train was detained for one hour at Waltair, making me miss
- (3) My train was detained for one hour at Waltair, because of which I missed
- (4) Because my train was detained for one hour at Waltair, I missed
- (5) Because my train was detained for one hour at Waltair, it made me miss.
